Understanding First Year

Do you know what program you want?

- First year is general and you are not limited to your future choices
- Select first year courses (1000 level) that keep your options open for a variety of modules/programs
- Explore beyond first year and look ahead at the programs/modules in the **Academic Calendar**
- Programs have prerequisites to be eligible in Year 2 (some have more than one course requirement) – you can find this information in the **Academic Calendar**
- Courses have limited space, so it is wise to register early to ensure you can access your preferred courses

What do I need to get a Degree?

Credits

- 0.5 courses/credits = half term course
- 1.0 courses/credits = full year course
- Full year = September to April
- First term = September to December
- Second term = January to April

DEGREE TYPE	AVAILABLE MODULE COMBINATIONS
Honours Bachelor Degree (4 year) 20.0 total credits, including 5.0-7.0 first year credits	1. Honours Specialization 2. Honours Specialization + Major 3. Honours Specialization + Minor 4. Major + Major
Bachelor Degree (4 year) 20.0 total credits, including 5.0-7.0 first year credits	5. Specialization 6. Specialization + Major 7. Specialization + Minor 8. Major 9. Major + Major 10. Major + Minor 11. Major + Minor + Minor
Bachelor Degree (3 year) 15.0 total credits, including 5.0-7.0 first year credits	12. Major 13. Major + Minor 14. Minor + Minor

Complete Module(s)

Within the required credits for your degree, you must complete the designated credits/courses for the specific module(s) you are completing.

Here you will see the approved module combinations for each degree and credit requirement.

Remember, you can combine modules between programs/campuses. Just keep in mind the Residency Requirement.

HOW MANY COURSES ARE REQUIRED FOR EACH TYPE OF MODULE?

- Honours Specialization (9.0 or more specified courses)
- Specialization (9.0 or more specified courses)
- Major (6.0-7.0 specified courses)
- Minor (4.0-5.0 specified courses)

What do I need to get a Degree?

Breadth Requirement

- At least 1.0 credit from each Category (A, B, & C) must be fulfilled to earn a degree.
- At least two categories must be fulfilled (1.0 in each) at the first-year level. Any outstanding breadth requirement not completed in first year must be completed prior to graduation.
 - Category A – Social Science (i.e., Economics, Business, Psychology, Political Science)
 - Category B – Arts and Humanities (i.e., English, Speech, Chinese, Writing, Philosophy)
 - Category C – Math and Science (i.e., Astronomy, Environmental Science, Math)

Essay Requirement

- Essay Credits
 - 2.0 credits in designated essay courses (F, G, or E) must be completed prior to graduation
 - At least 1.0 essay credit must be 2000 level or above, the other 1.0 can be 1000 level

In first year, select at least 1.0 credit from 2 of the 3 categories. Complete at least 1.0 Essay Credits. No more than 2.0 1000 level credits can be from the same subject. Create a diverse timetable.

What do I need to get a Degree?

Course Codes

Each course has a subject, course number, class number, and suffix. It is critical that you understand what these suffixes mean when selecting courses.

SUFFIX	WHAT IT MEANS	EXAMPLE
No Suffix	Full year non-essay course	SOCIOLOG 1020
E	Full year essay course	POLISCI 1020E
F	First term essay half course	CGS 1023F
G	Second term essay half course	CGS 1023G
A	First term non-essay half course	PHILOSOP 1350A
B	Second term non-essay half course	ECONOMIC 1022B

Essay Course

A course that has a significant writing component involving written assignments to demonstrate students' essay writing skills.

Essay courses have the suffix F, G or E.

What do I need to get a Degree?

Course Codes – Common Mistake

Courses that share the same subject and course number are the same course. If they are offered in different terms, the suffix changes.

Example: Writing 1025F and Writing 1025G are the same course. (F first term; G second term)

- In this example, you should not be taking Writing 1025F and Writing 1025G
- They are the same course as indicated by the subject and course number
- The letter (suffix) just indicates when the course is being offered and if it is an essay designated course

Course Requisites

Prerequisite: A course that must be successfully completed prior to registration for credit in the desired course. The prior knowledge is critical for understanding and success in the course.

Corequisite: A course that must be taken concurrently with (or prior to) the desired course.

Antirequisite: Courses that overlap sufficiently in content, therefore both cannot be taken for credit.

What do I need to get a Degree?

Progression Requirements

Average Calculations

- Cumulative (overall) average
 - Includes all course attempts
 - 55%+ is good standing after Year 1
 - 60%+ is good standing after Year 2+
- Modular average
 - Average on courses required for your module
 - Does not include first year courses required for admission to module
- Term average
 - Average on all course attempts in an academic year (fall/winter)

Course Fails and Repeats

- A grade of 50%+ is a pass and credit is earned
- Some modules may require higher grades
- Average calculations *will include* failed marks
- All marks below 50% are considered failures
- Failing marks below 40% will be included in average calculations as 40%
- Marks from 40% to 49% will be included as the actual mark reported
- You can repeat a course to replace the grade, with the most recent grade counting towards your degree
- **You can drop a course without academic penalty before a set deadline in Academic Calendar**

Additional Things to Consider

SCHOLARSHIP

- To be eligible to receive your Renewable Entrance Scholarship each year you must achieve:
 - 5.0 courses during the Fall/Winter term
 - 80% term average during the year
- Application-based scholarships are available for upper-year students.

IVEY HBA

- If you are hoping to go to Ivey, please speak with Ivey directly for any questions about admissions: hba@ivey.uwo.ca
- Review Ivey's HBA Admissions website
- Enroll in a full course load (5.0 courses) of 1000 level courses
- Meet with your Career Advisor for additional support

Additional Things to Consider

TRANSFER CREDITS

- If you have or are expecting transfer credits and are unsure how this impacts your course selection, please connect with your academic advisor for recommendations.

ACCESSIBLE EDUCATION

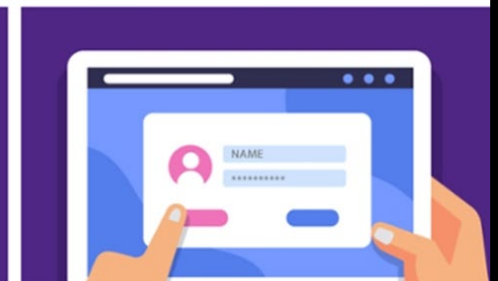

- If you have any learning needs requiring accommodations you will need to contact AE, ASAP!

Accessible Education

Accessible Education provides supports and services to students with disabilities at Western, in all programs and faculties.

Registration form for Accessible Education. Fields include: First Name, Last Name, Email, Address, and Phone Number. A 'CREATE ACCOUNT' button is located at the bottom.

Important Academic Policies!

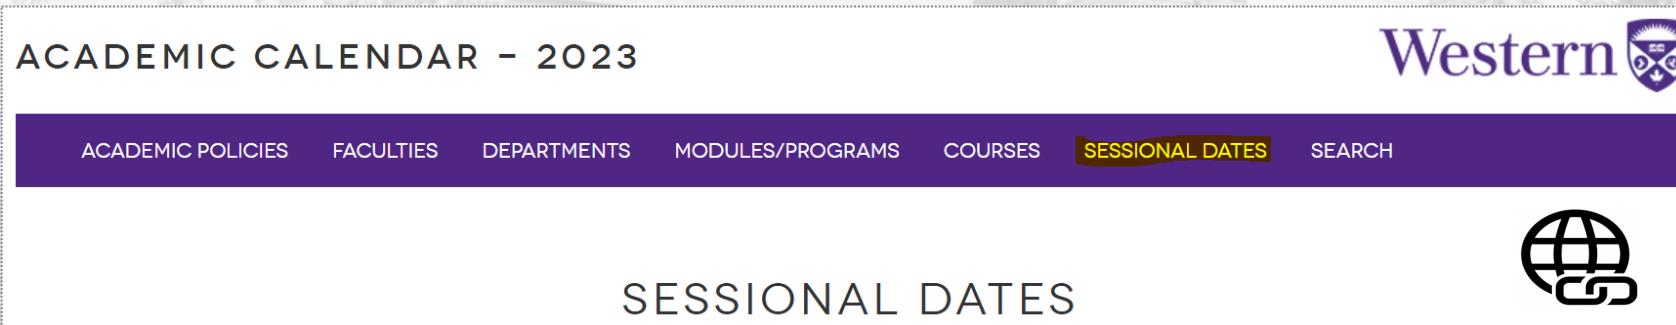

You have until these Deadlines to **ADD** courses:

- Deadline to **add** a **Fall Term .5 or 1.0 full-year** course is **September 15, 2023**
- Deadline to **add** a **Winter Term .5** course is **January 16, 2023**

You have until these Deadlines to **DROP** courses:

- Deadline to **drop** a **Fall Term .5** course is **November 13, 2023**
- Deadline to **drop** a **full-year 1.0** course is **November 30, 2023**
- Deadline to **drop** a **Winter Term .5** course is **March 7, 2024**

Residency Requirements

- Huron students must take at least 60% of their courses at Huron during the academic year (at least 3.0 credits if taking 5.0 credits)
- Up to 40% of courses that are not offered at Huron may be taken at another campus during the academic year

*Refer to Western Academic Calendar

Important Academic Policies!

Scholastic Offences

- Plagiarism
 - Copying/stealing another person's words/ideas without crediting them
 - Instructors check for plagiarism and AI (websites to scan work, ie. Turnitin.com and AI checker)
- Submitting same assignment for multiple classes

Refer to **Library and Learning Services** for research help, writing tutoring, support with proper citations, and more.

Privacy and Professionalism

- Email – *only* through UWO email address
- For your privacy, we will not correspond to you with an unverified personal email address
- Confidentiality – student must provide consent for us to tell parents/third party any personal academic information

Enroll in a Class

To enroll in a class:

- Click the **Academics** tile
- Click the **Course Registration** tile
- Click on **Search and Add**
- Search for the course you want by typing in the **Class Nbr**
- **Select** the class you want and choose the section you want
- Choose **Enroll** and hit **Next**
- Review your choices and select **Submit**

The diagram illustrates the enrollment process flow. It starts with the 'Academics' tile, which leads to the 'Course Registration' tile. This tile then leads to a QR code labeled 'REGISTRATION GUIDE'. A magnifying glass icon with the number '9' is positioned next to the QR code.

The screenshots show the following steps:

- Class Search Results:** The search results for 'KINESIOL 1060B' are displayed. The 'Next' button is highlighted.
- Course Information:** The course details for 'KINESIOL 1060B' are shown. The 'Next' button is highlighted.
- Class Search and Enroll:** The 'Next' button is highlighted.
- Step 1 of 2: Enroll or Add to Cart:** The user is prompted to enroll or add the class to their cart. The 'Enroll' option is selected, and the 'Next' button is highlighted.
- Step 2 of 2: Review and Submit:** The user is prompted to review and submit their enrollment. The 'Submit' button is highlighted.

Next Steps

1. Activate your Western ID:
www.student.uwo.ca
2. Choose what modules you want to pursue and create your conflict-free timetable using www.draftmyschedule.uwo.ca
3. Email huronsss@uwo.ca if you have any questions or to request your Academic Advisor to review your course selections
4. Register for your courses in Student Centre: www.student.uwo.ca
5. We are here all summer to help you with your selections and we encourage you to attend as many registration sessions as you wish!
