COURSE OUTLINE

Business 1220E: Introduction to Business

Intersession 2021

This introductory survey course assumes no prior knowledge of business. Business 1220E requires no prerequisites. Although not a requirement for Ivey’s HBA Business Program, Business 1220E offers an excellent overview of the Ivey case teaching method.

Business 1220E Instructor

Richie Bloomfield
Email rbloomfi@uwo.ca
Class Time: 10:30am – 12:30pm Mon – Fri. Zoom Online
Office Hours: By appointment

1. To present an introductory course in business administration and to offer students an exposure to Finance, Marketing, Operations, Organizational Behaviour, and General Management.
2. To provide students with the opportunity to develop skills for effective problem-solving. To do this, students will learn basic analytical tools (e.g., projections, break-evens, cost/benefit analysis, etc.) and then be required to apply these tools to problems, using case methodology.
3. To provide students with the opportunity to practise decision-making with imperfect information under time constraints.
4. To develop communication skills, both oral and written.
5. To provide an overview of the first year of the HBA and MBA programs at Ivey Business School.

COURSE STRUCTURE AND CONTENT

The course is taught in five units: Financial Management, Marketing Management, Operations Management, Organizational Behaviour and General Management. In each unit, students will examine and discuss a broad range of business cases involving situations where analysis and decision making are required. Students write a test (or exam) or a report at the end of each unit.

While students are expected to learn much about the problems that managers face, the major benefit of the course is an understanding of the environment in which managers make decisions. Students will learn some of what is involved in good and bad judgment. Above all, they will develop the capacity to make sound decisions based on the available information. The course stresses the importance of making timely decisions, often with imperfect information.

Not all material that the student is expected to understand will be explicitly covered in class.

COURSE MATERIALS

The casebook can be purchased online through the UWO bookstore’s website once it is published. IMPORTANT NOTE: previous years’ textbooks cannot be used as a substitute for the current edition of the casebook. Students are required to own the newest edition in order to receive the course credit per copyright rules.

The course casebook and handouts are protected under copyright law and are considered mandatory fees by Western Senate and Board of Governors.

Information on class assignments, and final exam is provided on the Business 1220E OWL site: https://owl.uwo.ca
TEACHING METHODOLOGY AND EXPECTATIONS

This course is taught primarily by the case method, which requires a much greater involvement of the student in class than does the traditional lecture method. Students will analyze the case individually in preparation for the class discussion. In the classroom, the instructor will act as discussion leader, with emphasis on students’ active participation. The very nature of the case discussion approach demands a high level of attendance, preparation and contribution in class.

Students are expected to be fully engaged in the entire learning process. This means devoting time and energy to preparation before class, listening to others during class discussions and engaging in class discussions. Collective reasoning and discovery are critical to the successful application of the case method. Prior to any case discussion, engaging in discussions with (or examining notes from) others who may have already experienced the case class is a clear violation of classroom conduct. To respect intellectual property and integrity of materials presented in class, phones, camera and any other recording device are not to be used in the classroom.

Detailed note-taking during class can often be distracting for others and counterproductive to your own learning. Instead, try to be selective in taking notes during class. It is a good idea to consolidate what you have learned at the end of each class or at the end of the day.

Talking privately with classmates or using a computer during class is distracting for others, is not conducive to your own learning, and violates our norms. Please ensure your cell phone is turned off when in class.

Expectation of students
The following details the recommend methodology for completing each unit.

A. Review introductory reading material, introductory video lectures and ask questions during introductory Zoom discussions.
B. Complete a case as assigned in the assignment schedule (feel free to collaborate with others in the course) before reviewing the material again.
C. Watch the pre-recorded video lecture corresponding to that case. (This will be 20% of the classes)
D. Attend the live Zoom discussion session corresponding to the case. (This will be 80% of the classes)
E. Repeat for each case in the schedule. All sessions will be recorded and available for reference until the unit is complete.
F. Complete the assigned testing point for the unit.

Attendance

Attendance at all classes in this course is expected; however, circumstances may arise which make it impossible for you to attend. For example, if you are unable to attend a class due to health-related or other compelling reasons, you are expected to advise your instructor in advance. Under University regulations, your instructor can determine at which point absenteeism has become excessive and thus can prevent you from passing the course. At the discretion of individual instructors, any student who misses more than 25% of scheduled classes will receive a class contribution grade of 0 out of 10 for the course.

Appointments

If you wish to meet with your instructor, you can approach your instructor after class (I will stay on the Zoom call after the class ends), or send an e-mail to your instructor to set up a mutually convenient time. Instructors’ office locations, e-mail addresses, and office hours can be found on the Business 1220E OWL site: https://owl.uwo.ca.

Evaluation

All components of evaluation (tests, reports, and exam as noted below) must be completed for a student to be eligible for a passing grade in the course. Students must pass at least one of the following individual timed testing points to be eligible to receive a passing grade: finance test, operations test, general management (final) examination. Reports submitted after ten business days of the due date will not be accepted, resulting in failure of the course. There will be no re-weighting of components within the course. Late penalties will be applied to all reports; typically, 10% per 24-hour period plus an additional 5% for the first hour after the deadline. The penalties
will be clearly defined on the cover page of the reports.

Evaluation of the student is achieved through two mid-term take home exams, two written reports, a final take home examination, class contribution. The weightings of the graded requirements are:

<table>
<thead>
<tr>
<th>Segment</th>
<th>Date</th>
<th>Weighting</th>
</tr>
</thead>
<tbody>
<tr>
<td>Finance Report</td>
<td>May 23, 6:00 p.m. ET</td>

<td>100%</td>
</tr>
</tbody>
</table>

Evaluation Component Descriptions

Business 1220E is an essay course; consequently, the content of all testing vehicles (tests, reports, and the final exam) must include the universally acknowledged standard of correct English usage (spelling, points of grammar, syntax, style, and the choice of words). Additionally, all testing vehicles must be written clearly and concisely, developing an argument that supports the conclusions drawn from the analysis.

Class Contribution

Class contribution by each and every student is a cornerstone of any effective case method learning experience. Active class involvement augments the learning experience, increases assimilation of material and stimulates the level of class discussion. Students’ contribution to this course is initiated through thorough class preparation. Cases should be analysed, related to readings, lectures and experience. Contribution is expected to be relevant to the current discussion and includes answering questions, volunteering answers, advancing the discussion to a new issue, developing one side of an argument, clarifying difficult concepts and asking questions pertinent to the topic. Just as important is listening attentively to your classmates and critiquing ideas constructively. Class contribution may also include assignments, hand-ins, group evaluations and prompt attendance.

During classes held on Zoom students should be prepared to raise their hand virtually.

Pre-Business Policy for Tests and Examinations

Once students have written a test or examination they are committed to the mark earned.

Please seek assistance from your academic counselling office regarding reasonable grounds for writing a Business 1220E Make-up Exam.

***Students may not pay for consultation or advice in the preparation of any testing point. Sharing answers with classmates, or using a classmates’ answer also qualifies as cheating.***

All assignments (reports, exams, etc.) must be authored from an original document using a Microsoft Word account registered to the student. Microsoft Word is available free to all students by visiting myoffice.uwo.ca. Documents submitted with registrations affiliated to anyone other than the student may be taken as evidence of collaboration or plagiarism. Only Microsoft Word documents will be acceptable upload submissions (i.e. do not submit pdf documents). If a student is required to resubmit due to improper document formatting, late penalties will be calculated from the time the properly formatted document is submitted.

Financial Management Take Home Exam

The Financial Management take home exam will be a case analysis and will cover the Financial Accounting unit, with a specific focus on projecting financial statements, and assessing the risk of a business venture.
Marketing Management Report

The Marketing Management report will be a case report completed independently. The report will cover the Marketing Management unit, with a specific focus on internal (corporate capabilities, KSFs) and external (PEST, competitive, consumer) qualitative analysis, as well as choosing a target market while aligning the 4P’s of marketing (Product, Placement, Price, Promotion) to recommend a strategy to the firm.

Operations Management Take Home Exam

The Operations Management take home exam will be a case analysis and will cover the Operations Management unit. Specifically, it will focus on understanding a task analysis (customer needs), bottlenecks in production, and trade-off financial analysis.

Organizational Behaviour Report:

The Organizational Behaviour Report will be a group report based on a case analysis, covering content from the Organizational Behaviour Unit. You are responsible for getting yourself into a group of 5-8 students from your section. Ten marks (out of 100) of the final report mark will be deducted for the first 24 hours during which the report is late. Another ten marks will be deducted for each additional 24-hour period that the report is late. Reports submitted ten business days or more after the due date will not be accepted, resulting in failure of the course. I expect that every group member will contribute equally to the completion of the Group Report. However, in the unlikely and unfortunate case in which one (or more) member of the group does not contribute equally, that member may receive a grade penalty which will be at the discretion of the instructor based on documentation and feedback. Students may not pay for consultation or advice in the preparation of the Organizational Behaviour report. If a student fails to identify that they are not in an assigned group during the assignment and approaches the instructor within 1 week of the report due date, the student will receive a zero on the report, no student may complete the assignment individually.

General Management Take Home Exam

The General Management report will be a comprehensive case analysis covering all units of the course. It will be comprehensive, but not exhaustive. That is, not every single item in the previous units will be tested again. This will be an opportunity to consolidate your learnings from the course and provide a higher-level strategic recommendation to a company.

Scholastic Offences, Plagiarism and Collusion

Scholastic offences are taken seriously, and students are directed to read the appropriate policy, specifically, the definition of what constitutes a scholastic offence, at the following website: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf.

Plagiarism is the submission of work that is in whole or in part someone else’s work (including, but not limited to, text, calculations and exhibits), which you claim as your own. Students must write their assignments, essays, reports, exams, etc. in their own words. Whenever students take an idea or a passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by using proper references such as footnotes or citations. Plagiarism is a major academic offence (see Scholastic Offence Policy in the Western Academic Calendar).

All required case exams and reports may be subject to submission for similarity review to the commercial plagiarism detection software under licence to the University for the detection of plagiarism. All papers submitted will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement currently in effect between The University of Western Ontario and Turnitin.com (www.turnitin.com).

Students may not pay for consultation or advice in the preparation of any of the reports.
UNIVERSITY RESOURCES

Students may wish to access registrar and wellness supports which can be found here: https://huronatwestern.ca/student-life-campus/student-services.

Appendix to Course Outlines: Academic Policies & Regulations 2021 - 2022

Prerequisite and Antirequisite Information
Students are responsible for ensuring that they have successfully completed all course prerequisites and that they have not completed any course antirequisites. Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Student Code of Conduct
Membership in the community of Huron University College and Western University implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. While in the physical or online classroom, students are expected to behave in a manner that supports the learning environment of others. Please review the Student Code of Conduct at: https://huronatwestern.ca/sites/default/files/Res%20Life/Student%20Code%20of%20Conduct%20-%20Revised%20September%202019.pdf.

Attendance Regulations for Examinations
A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.

2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

Review the policy on Attendance Regulations for Examinations here: https://www.uwo.ca/univsec/pdf/academic_policies/exam/attendance.pdf.

Statement on Academic Offences
Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf). The appeals process is also outlined in this policy as well as more generally at the following website: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/appealsundergrad.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/appealsundergrad.pdf).

**Turnitin.com**

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com ([http://www.turnitin.com](http://www.turnitin.com)).

**Statement on Use of Electronic Devices**

It is not appropriate to use electronic devices (such as, but not limited to, laptops, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

**Statement on Use of Personal Response Systems (“Clickers”)**

Personal Response Systems (“clickers”) may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:

- the use of somebody else’s clicker in class constitutes a scholastic offence
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.

**Academic Consideration for Missed Work**

Students who are seeking academic consideration for missed work during the semester may submit a self-reported absence form online provided that the absence is **48 hours or less** and the other conditions specified in the Senate policy at [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf) are met.

Students whose absences are expected to last **longer than 48 hours**, or where the other conditions detailed in the policy are not met (e.g., work is worth more than 30% of the final grade, the student has already used 2 self-reported absences, the absence is during the final exam period), may receive academic consideration by submitting a Student Medical Certificate (for illness) or other appropriate documentation (for compassionate grounds). The Student Medical Certificate is available online at [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf). All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence. **Students are reminded that they should consider carefully the implications of postponing tests or midterm exams or delaying submission of work, and are encouraged to make appropriate decisions based on their specific circumstances.**

Students who have conditions for which academic accommodation is appropriate, such as disabilities or ongoing or chronic health conditions, should work with Accessible Education Services to determine appropriate forms of accommodation. Further details concerning policies and procedures may be found at: [http://academicsupport.uwo.ca/](http://academicsupport.uwo.ca/).

**Policy on Academic Consideration for a Medical/ Non-Medical Absence**

(a) **Consideration on Medical Grounds** for assignments worth **less than 10%** of final grade:
- Consult Instructor Directly and Contact Academic Advising
When seeking consideration on medical grounds for assignments worth less than 10% of the final course grade, and if the student has exceeded the maximum number of permissible Self-Reported absences, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor may require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. If documentation is requested, the student will need to complete and submit the Student Medical Certificate. The instructor may not collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

(b) Consideration on Non-Medical Grounds: Consult Huron Support Services/Academic Advising, or email huronsss@uwo.ca.

Students seeking academic consideration for a non-medical absence (e.g. varsity sports, religious, compassionate, or bereavement) will be required to provide appropriate documentation where the conditions for a Self-Reported Absence have not been met, including where the student has exceeded the maximum number of permissible Self-Reported. All consideration requests must include a completed Consideration Request Form. Late penalties may apply at the discretion of the instructor.

Please review the full policy on Academic Consideration for medical and non-medical absence at: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf. Consult Huron Academic Advising at huronsss@uwo.ca for any further questions or information.

Support Services
For advice on course selections, degree requirements, and for assistance with requests for medical accommodation, students should email an Academic Advisor in Huron’s Student Support Services at huronsss@uwo.ca. An outline of the range of services offered is found on the Huron website at: https://huronatwestern.ca/student-life/student-services/.

Department Chairs, Program Directors and Coordinators are also able to answer questions about individual programs. Contact information can be found on the Huron website at: https://huronatwestern.ca/contact/faculty-staff-directory/.

If you think that you are too far behind to catch up or that your workload is not manageable, you should consult your Academic Advisor. If you are considering reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines. Please refer to the Advising website, https://huronatwestern.ca/student-life/student-services/academic-advising/ or review the list of official Sessional Dates on the Academic Calendar, available here: http://www.westerncalendar.uwo.ca/SessionalDates.cfm.

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. Note that dropping a course may affect OSAP and/or Scholarship/Bursary eligibility.
