CGS 1022F: Introduction to Globalization
This course introduces and critically examines dominant approaches to understanding human interconnection at a global scale and provides an interdisciplinary overview of various trends attributed to globalization.

Learning Objectives
This course asks students to think critically about how global scale dynamics shape the context in which humans live their lives, solve problems, and seek change. To this end, we will study varied and contrasting approaches to understanding globalization, paying particular attention to the assumptions each makes about social, economic, political and cultural life. Students will learn to distinguish among these different approaches to understanding globalization, different definitions of globalization, and to identify the strengths and weaknesses of each.

Class discussions sparked by our course readings, lecture materials, films and your independent research projects give students a chance to practice how to engage ideas, arguments and case studies analytically. The written assignment provides experience with text-based research at the university level, and written feedback will assist you in refining and developing your skills as an analyst.

Class Methods
This course is taught through a combination of lectures and focussed discussions. Dr. Russell will provide discussion questions for specific readings and films as the course moves along. These themes and discussions, along with the course readings, will serve as the basis for the final examination essay.

Required Readings: Journal Articles and Books
Required readings for this course are announced in the Weekly Assignment tab on OWL. You can expect to read 20-30 pages per week for this course, and to consider those readings in relation to assigned questions. They include journal articles available electronically through the Western Shared Library system. In addition, we are reading each of these books, listed here with handy guides to finding them:

Bauman, Zygmunt and Carlo Bordoni. 2014. State of Crisis. Boston, Massachusetts: Polity. (The Western Bookstore has this on order for us, however staff there have recommended you find the e-book version and use that. It is brief and I found it in this format for around $20.00. Here is a link to the publisher’s flyer for the book that includes a link to purchase it in e-book format: https://www.wiley.com/en-ca/exportProduct/pdf/9780745685298).

Fridell, Gavin and Martijn Koonigs, eds. 2013. Age of Icons: Exploring Philanthrocapitalism in the Contemporary World. Toronto: University of Toronto Press. (This book, an edited collection, is not in the Bookstore, and I will supply access to the sections we are reading on our OWL page).

**Evaluation**

Attendance 10%
Research Essay Assignment Part 1: Preliminary Report 1 Due October 20 25%
Research Essay Assignment Part 2: Final Paper Due December 8 35%
Final Critical Response Paper *Due date set by Registrar* 30%

*Attendance 10%*
Your grade will be reduced by one point for each unexcused absence.

*Research Essay Assignment Part 1 25%*
In this course you will write a research essay on an assigned topic. The Research Essay Assignment Part 1 is the first step in preparing your research essay. It is a preliminary report on how your essay is proceeding and is described in a detailed assignment sheet posted on OWL. It will require you to review assigned readings to get your research started, conduct your own research, prepare annotations for materials you select from your own research, and indicate how you are going to use this material to answer the assigned essay question. A grading key for the assignment is included in the description of this assignment on OWL, and grading emphasizes the quality of your research, technical presentation of your preliminary reading list, quality of annotations and overall insight into the research topic. Submit on OWL please.

*Research Essay Assignment Part 2 35%*
The research essay for this course is on an assigned topic, assigns some key question to answer across your paper, and uses a combination of assigned readings and materials you have collected yourself in your own research (see above). A detailed description and grading key for this assignment is posted on OWL. As you will see, your work on Part 1 will assure you can do an excellent job on this paper. Submit on OWL please.

*Final Critical Response Paper 30%*
You will prepare a final summary paper for this course that draws on assigned readings, films, lectures, and discussions. All of our lectures and class discussions build toward this final summary paper. The questions for will be announced the last day of class on OWL with instructions on how to approach and present your answers. The due date will be set by the Registrar, and you will
submit your paper via OWL. If you keep up-to-date with your readings and course meeting preparation, attend class and engage in discussion, this assignment will be very straightforward and fun. You’ll exercise your skills. Good times.

**Weekly Assignment Key**
On OWL, you will find reading and discussion assignments for each week as follows. Remember that getting the most out of our class meetings will require preparing the assigned materials you find under each Weekly Assignment on our OWL page. For Week 5 and Week 9 you will be assigned one 50-minute tutorial spot during our normal class times, a tutorial for everyone to ask questions and discuss how to prepare the assignment.

Appendix to Course Outlines: Academic Policies & Regulations Fall/Winter 2022

**Pandemic Contingency**
Huron will continue to follow the guidance of public health and government officials. It is anticipated that there will be no further disruptions to in-person instruction. This is subject to change.

**Student Code of Conduct**
Membership in the community of Huron University College and Western University implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. While in the physical or online classroom, students are expected to behave in a manner that supports the learning environment of others. Please review the Student Code of Conduct at: [https://huronatwestern.ca/sites/default/files/Res%20Life/Student%20Code%20of%20Conduct%20Revised%20September%202019.pdf](https://huronatwestern.ca/sites/default/files/Res%20Life/Student%20Code%20of%20Conduct%20Revised%20September%202019.pdf).

**Prerequisite and Antirequisite Information**
Students are responsible for ensuring that they have successfully completed all course prerequisites and that they have not completed any course antirequisites. Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

**Attendance Regulations for Examinations**
A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.

2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

Review the policy on Attendance Regulations for Examinations here: [Academic Calendar - Western University (uwo.ca)](http://uwo.ca)

**Statement on Academic Offences**
Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website: [Academic Calendar - Western University (uwo.ca)](http://uwo.ca). The appeals process is also outlined in this policy as well as more generally at the following website:
Turnitin.com
All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (http://www.turnitin.com).

Statement on Use of Electronic Devices
It is not appropriate to use electronic devices (such as, but not limited to, laptops, tablets, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

Statement on Use of Personal Response Systems (“Clickers”)
Personal Response Systems (“clickers”) may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:
- the use of somebody else’s clicker in class constitutes a scholastic offence
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.

Academic Consideration for Missed Work
All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence. Students are reminded that they should consider carefully the implications of postponing tests or midterm exams or delaying submission of work, and are encouraged to make appropriate decisions based on their specific circumstances.

Students who have conditions for which academic accommodation is appropriate, such as disabilities or ongoing or chronic health conditions, should work with Accessible Education Services to determine appropriate forms of accommodation. Further details concerning policies and procedures may be found at: http://academicsupport.uwo.ca/.

Policy on Academic Consideration for a Medical/ Non-Medical Absence
(a) Consideration on Medical Grounds for assignments worth less than 10% of final grade:
Consult Instructor Directly and Contact Academic Advising
When seeking consideration on medical grounds for assignments worth less than 10% of the final course grade, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor may require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. If documentation is requested, the student will need to complete and submit the Student Medical Certificate. The instructor may not collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

b) Medical Grounds for assignments worth 10% or more of final grade: Go Directly to Academic Advising

University Senate policy, which can be found at Academic Calendar - Western University (uwo.ca) requires that all student requests for accommodation on medical grounds for assignments worth 10% or more of the final grade be made directly to the academic advising office of the home faculty (for Huron students, the “home faculty” is Huron), with supporting documentation in the form (minimally) of the Senate-approved Student Medical Certificate found at: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf.

The documentation is submitted in confidence and will not be shown to instructors. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before denying a request for accommodation on medical grounds, the instructor will consult with the Dean. The instructor’s decision is appealable to the Dean.

c) Consideration on Non-Medical Grounds: Consult Huron Support Services/Academic Advising, or email huronsss@uwo.ca.

Students seeking academic consideration for a non-medical absence (e.g. varsity sports, religious, compassionate, or bereavement) will be required to provide appropriate documentation. All consideration requests must include a completed Consideration Request Form. Late penalties may apply at the discretion of the instructor.

Please review the full policy on Academic Consideration for medical and non-medical absence at: accommodation_medical.pdf (uwo.ca). Consult Huron Academic Advising at huronsss@uwo.ca for any further questions or information.

Support Services
For advice on course selections, degree requirements, and for assistance with requests for medical accommodation, students should email an Academic Advisor in Huron’s Student Support Services at
huronsss@uwo.ca. An outline of the range of services offered is found on the Huron website at: https://huronatwestern.ca/student-life/student-services/.

Department Chairs, Program Directors and Coordinators are also able to answer questions about individual programs. Contact information can be found on the Huron website at: https://huronatwestern.ca/contact/faculty-staff-directory/.

If you think that you are too far behind to catch up or that your workload is not manageable, you should consult your Academic Advisor. If you are considering reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines. Please refer to the Advising website, https://huronatwestern.ca/student-life/student-services/academic-advising/ or review the list of official Sessional Dates on the Academic Calendar, available here: http://www.westerncalendar.uwo.ca/SessionalDates.cfm.

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. Note that dropping a course may affect OSAP and/or Scholarship/Bursary eligibility.

**Wellness and Health Supports at Huron and Western**

University students may encounter setbacks from time to time that can impact academic performance. Huron offers a variety of services that are here to support your success and wellbeing. All Huron staff and faculty have received training on responding to disclosures of Gender-Based Sexual Violence (GBSV); students should know that the Community Safety Office is a resource for survivors, providing support and, if desired, guidance while referring them to the further supports that they may require. Please visit https://huronatwestern.ca/student-life-campus/student-services/wellness-safety for more information or contact staff directly:
