## MEET ADAM DEIF, BA ECONOMICS, HURON CLASS OF 2004

To this day, Adam affirms his journey towards success began with the relationships and values he learned at Huron.

While working at Credit Suisse, he reached out to Huron alumni from Toronto who told him that he would be a great fit at Google.

Within months, Adam quickly transitioned into an exciting new role as an Analyst at Google Canada – where the CEO at the time was also a Huron alumni and, to this day, is a mentor to Adam.
