Intermediate of Macroeconomics II
Department of Economics, Huron University College

Course delivery with respect to the COVID-19 pandemic

Although the intent is for this course to be delivered in-person, the changing COVID-19 landscape may necessitate some or all of the course to be delivered online, either synchronously (i.e., at the times indicated in the timetable) or asynchronously (e.g., posted on OWL for students to view at their convenience). The grading scheme will not change. Any assessments affected will be conducted online as determined by the course instructor.

Course Description
The objective of this course is to provide an understanding about how an open economy works in the short-run. In this course we analyze open economy issues, explore business cycles from classical and Keynesian points of view, and introduce with environment and institutions of macroeconomic policy.

Tentative Course Outline

Section I: Review
Review: review chapter 9
We quickly review materials on chapter 9. This chapter is important to understand the other chapters in this course.

Section II: Business Cycles and Macroeconomic Policy
Chapter 10: Exchange rates, business cycles, and macroeconomic policy in the open economy
We explore the macroeconomic implications of trading and financial links among countries. Also, we discuss how economic openness affects fiscal and monetary policies.

Chapter 11: Classical business cycle analysis
We explain real business cycle theory and discuss how classical model describes business cycles.

Chapter 12: Keynesian business cycle analysis
We explain Keynesian idea of nominal-wage rigidity. We discuss what this idea implies for Keynesian model of AD-AS. We explain what causes business cycles and what should policy makers do about them from Keynesian perspective.

Section III: Macroeconomic policy: Its Environment and Institutions
Chapter 13: Unemployment and inflation
We take a closer look at unemployment and inflation, first together and then separately. We examine the costs that each imposes to society. We discuss the options that policymakers have for dealing with these problems.

Chapter 14: Monetary policy and the bank of Canada
We discuss how the countries money supply is determined and how should the central bank conduct monetary policy.

Chapter 15: Government spending and its financing
We begin with definitions and facts about the government budget. We then discuss some basic fiscal policy issues, including the effect of government spending and taxes on economic activity, the burden of government debt, and the link between budget deficit and inflation.

Chapter 6: Long-Run economic growth
We begin with identifying the sources of economic growth. We then introduce the Neoclassical Growth Model which proposes a foundation for growth dynamics. Finally, we will analyze different government policies to raise log-run living standards.

COURSE WEBSITE
A website on OWL will be used to post materials relating to the course. Any content in the textbook that you will be tested on is noted in the weekly schedules. It is your responsibility to check OWL daily for class announcements.
TIME ZONES
Times for all activities and due dates for assignments will be posted in local London time (EDT). If you are in a different time zone, please make sure you know how London time converts to where you are. Errors in calculations are not an acceptable reason to miss deadlines.

Textbook

REQUIRED LEARNING TOOLS
1. **MyEconLab**, available at:

   [https://bookstore.uwo.ca/textbook-search?campus=HC&term=W2021B&courses%5B0%5D=551_HC/ECO2221B](https://bookstore.uwo.ca/textbook-search?campus=HC&term=W2021B&courses%5B0%5D=551_HC/ECO2221B)

   MyEconLab, associated with the above text, is required. This is an online learning tool containing the entire textbook, exercises, and practice tests. This software will be used for evaluation purposes (to conduct midterms and final exams) as well, and thus is REQUIRED.

   MyEconLab can be purchased separately from a hardcopy and of the textbook and so effectively replaces it. When using MyEconLab you will be asked for the **course name (ECO 2221B) and Course ID (rahimian95778)**. You must register with your UWO account and name for your grades to be recorded.

2. **Packback** is an AI-supported online discussion platform for developing critical thinking, curiosity, and writing skills. In this course we’re using Packback to have quality discussion around the course concepts and learn to make connections between the lecture, text, and current event. Also, it helps you to build a sense of community with your classmates. I will send the invitation to join Packback to your email. Find the invitation email and join our community in Packback. Please notice that there is a registration fee to access Packback.

   For more introduction with Packback, please use the following link: Packback introduction. If you need help on registering Packback or need any help email help@packback.co.

- **Packback**: You are required to post at least 1 question and 2 responses every week. Packback will grade your contributions every week on Sundays at midnight.
- **MyEconLab Quizzes**: There are 4 online quizzes and marks are allocated for the best 3. The coverage of each quiz will be announced on the course site. The cut-off time to submit your quiz is 11:55 pm on the due date. Late quizzes will not be accepted. Failure to submit an online quiz on time will result in zero marks. It is a good idea to start quizzes as early as possible to avoid any emergencies preventing completion by the due date.
- Quizzes and exams will be mixed format. All quizzes will be 1 hour long with 4 days window to complete. Students will only be allowed to submit each quiz once.

COMMUNICATION
- All course materials and announcements will be posted on OWL. Please visit the portal often.
- Office hours are a perfect opportunity to approach me and discuss course material. Think of my office hours as an opportunity to receive free tutoring each week. If you cannot attend office hours due to a course conflict, you can email me and we schedule a mutually agreeable time to meet.
- I will usually respond to email within a day (except on weekends and holidays). However, I will only read emails sent through a UWO account for record-keeping and identification purposes. Please put “ECON2221B” in the message title or your email may be caught by my spam filter.
- I will only respond to email posing questions that can be answered in a sentence or two; otherwise you should see me during my office hours.

SATISFACTORY PERFORMANCE CRITERIA
Students must fulfill all of the preceding course requirements in order to achieve a passing grade. No course grades are final until approved by the Faculty Dean. Application to write a deferred final examination must be made to the Registrars Office. Students must fulfill all of the preceding course requirements in order to achieve a passing grade.

REGRADING
Students seeking reappraisal of their graded assignment or mid-term examination should contact the instructor within a week after they receive their grades. Students are required to send e-mail to the instructor with the subject “ECON2221B-REQUEST FOR REGRADING” explaining the reason(s) for requesting a reappraisal of their graded work.

Note: Reappraisals that do not conform to this standard will not be considered.

TREATMENT OF COURSE MATERIAL
Student, teaching, assignment or professor materials created for this course (including but not limited to lecture slides, presentations and posted notes, labs, case studies, assignments, exams and solutions to assignments and exams) remain the intellectual property of the author(s). They are intended for personal use and may not be reproduced or redistributed without prior written consent of the author(s).
Appendix to Course Outlines: Academic Policies & Regulations 2021 - 2022

Mandatory Use of Masks in Classrooms
Students will be expected to wear triple layer non-medical masks at all times in the classroom as per Huron policy and public health directives. Students are now permitted to drink water in class by lifting and replacing the mask each time a drink is taken. Students will be able to eat and drink outside of the classroom during scheduled breaks.

Students unwilling to wear a mask as stipulated by Huron policy and public health directives will be referred to the Dean's Office, and such actions will be considered a violation of the Huron Student Code of Conduct.

Pandemic Contingency
In the event of a COVID-19 resurgence during the course that necessitates the course delivery moving away from face-to-face interaction, all remaining course content will be delivered entirely online, typically using a combination of synchronous instruction (i.e., at the times indicated in the timetable) and asynchronous material (e.g., posted on OWL for students to view at their convenience). Any remaining assessments will also be conducted online at the discretion of the course instructor. In the unlikely event that changes to the grading scheme are necessary, these changes will be clearly communicated as soon as possible.

Student Code of Conduct
Membership in the community of Huron University College and Western University implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. While in the physical or online classroom, students are expected to behave in a manner that supports the learning environment of others. Please review the Student Code of Conduct at:

Prerequisite and Antirequisite Information
Students are responsible for ensuring that they have successfully completed all course prerequisites and that they have not completed any course antirequisites. Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Attendance Regulations for Examinations
A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

3. A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.
4. Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

Review the policy on Attendance Regulations for Examinations here: https://www.uwo.ca/univsec/pdf/academic_policies/exam/attendance.pdf.

**Statement on Academic Offences**
Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website:

https://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf. The appeals process is also outlined in this policy as well as more generally at the following website:

**Turnitin.com**
All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (http://www.turnitin.com).

**Statement on Use of Electronic Devices**
It is not appropriate to use electronic devices (such as, but not limited to, laptops, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

**Statement on Use of Personal Response Systems (“Clickers”)**
Personal Response Systems (“clickers”) may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:

- the use of somebody else’s clicker in class constitutes a scholastic offence
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.
Academic Consideration for Missed Work
Students who are seeking academic consideration for missed work during the semester may submit a self-reported absence form online provided that the absence is 48 hours or less and the other conditions specified in the Senate policy at
https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf are met.

Students whose absences are expected to last longer than 48 hours, or where the other conditions detailed in the policy are not met (e.g., work is worth more than 30% of the final grade, the student has already used 2 self-reported absences, the absence is during the final exam period), may receive academic consideration by submitting a Student Medical Certificate (for illness) or other appropriate documentation at

All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence. Students are reminded that they should consider carefully the implications of postponing tests or midterm exams or delaying submission of work, and are encouraged to make appropriate decisions based on their specific circumstances.

Students who have conditions for which academic accommodation is appropriate, such as disabilities or ongoing or chronic health conditions, should work with Accessible Education Services to determine appropriate forms of accommodation. Further details concerning policies and procedures may be found at:
http://academicsupport.uwo.ca/.

Policy on Academic Consideration for a Medical/ Non-Medical Absence

(a) Consideration on Medical Grounds for assignments worth less than 10% of final grade: Consult Instructor Directly and Contact Academic Advising

When seeking consideration on medical grounds for assignments worth less than 10% of the final course grade, and if the student has exceeded the maximum number of permissible Self-Reported absences, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor may require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. If documentation is requested, the student will need to complete and submit the Student Medical Certificate. The instructor may not collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

(b) Consideration on Non-Medical Grounds: Consult Huron Support Services/Academic Advising, or email huronsss@uwo.ca.

Students seeking academic consideration for a non-medical absence (e.g. varsity sports, religious, compassionate, or bereavement) will be required to provide appropriate documentation where the conditions for a Self-Reported Absence have not been met, including where the student has exceeded the
maximum number of permissible SelfReported. All consideration requests must include a completed Consideration Request Form. Late penalties may apply at the discretion of the instructor.

Please review the full policy on Academic Consideration for medical and non-medical absence at: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_illness.pdf. Consult Huron Academic Advising at huronss@uwo.ca for any further questions or information.

Support Services
For advice on course selections, degree requirements, and for assistance with requests for medical accommodation, students should email an Academic Advisor in Huron’s Student Support Services at huronss@uwo.ca. An outline of the range of services offered is found on the Huron website at: https://huronatwestern.ca/student-life/student-services/.

Department Chairs, Program Directors and Coordinators are also able to answer questions about individual programs. Contact information can be found on the Huron website at: https://huronatwestern.ca/contact/facultystaff-directory/.

If you think that you are too far behind to catch up or that your workload is not manageable, you should consult your Academic Advisor. If you are considering reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines. Please refer to the Advising website, https://huronatwestern.ca/student-life/student-services/academic-advising/ or review the list of official Sessional Dates on the Academic Calendar, available here: http://www.westerncalendar.uwo.ca/SessionalDates.cfm.

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. Note that dropping a course may affect OSAP and/or Scholarship/Bursary eligibility.
