MOVE-IN DAY – WHAT TO EXPECT 2022

BEFORE YOU ARRIVE

PACKING: Ensure that your items are packed securely in boxes or containers that are easy to carry. Well-packed items allow you to move all your items quickly and efficiently.

- Do not pack your belongings in garbage bags.
- Do not pack your belongings in alcohol or liquor boxes (even if there’s no alcohol in them). Orientation Week is substance-free and this will delay your move-in.
- If you live within a few hours driving distance of London, you can make your move-in day easier by bringing only the essentials (such as toiletries and clothes) to last a few weeks. You can bring the rest of your belongings on a trip home as you will know what you actually need by then! Most students are encouraged to bring enough items to fit into one standard-sized shopping cart.
- Please respect our limit of one vehicle per resident. Our unloading spaces cannot accommodate more than one vehicle and/or hitched trailers due to limited maneuverability.

LABEL YOUR BOXES! Clearly mark all of your items with your first name, last name and room number. Remember, there are lots of people moving in – this will prevent your items from getting lost.

PAY ANY OUTSTANDING FEES: Make sure you pay any outstanding tuition balance using the finance portal. You will not be allowed to move into Residence until this is complete.

CONFIRM YOUR ARRIVAL TIME: Verify your move-in time slot. This is your time to move in, so make sure you arrive at the right time.
