

# OUR CULTURE OF CARE

WHEN OUR STUDENTS ENCOUNTER CHALLENGES AT AN INDIVIDUAL LEVEL OR WANT TO MAKE LARGE-SCALE CHANGE, THEY NEVER ENCOUNTER **RED TAPE**.

*"I chose Huron for its liberal arts program and small community. If you choose Huron, you can find your place in an enriching and supporting community. From meeting new people, to learning new things, this community has more to offer than you can imagine. I started out as a nervous and shy student who was afraid to say her opinion on any subject matter. But soon I realized that professors always welcome a student's doubts, questions and thoughts. It was also extremely easy to talk to a professor after their lecture or visit them during their office hours."*

# WE EXPECT A LOT FROM OUR STUDENTS BUT WE NEVER EXPECT YOU TO GO IT ALONE

Building a great future goes beyond what you learn in a textbook. That's why, Huron has invested so much into building teams who are here to support you – as a whole person, not just a seat in a classroom.

Huron is not a place where lengthy lineups, being put on hold or waiting for weeks to book an appointment get in the way of your optimal academic outcomes. Instead, you'll be on a first-name basis with caring professionals who are willing advocates for **you**.

## LIBRARY & LEARNING SERVICES

**DID YOU KNOW** students who use the library perform better academically and are more likely to complete their degree than those who don't? Everything we do in Library & Learning Services (LLS) is designed to help you thrive, while at Huron and well beyond.

The professional team of academic staff in LLS work directly with faculty and students to continually evolve our service offerings, ensuring personalized, high-quality support unmatched by larger institutions.

*"The Huron Library is one of the most supportive and collaborative spaces on campus. The staff are extremely knowledgeable and friendly, and are always there to help you in ways you would not find at any other university. They also have a wide variety of technological supports to integrate multi-media into your assignments - one of my English classes even made a website with support from the Library staff."*
