FALL GATHERING & ORIENTATION

Tuesday, September 6, 1:30 - 3:00: Orientation for MDiv, MTS, Spec, LoP

Orientation will be IN PERSON & ONLINE. Email srice@uwo.ca if you are attending by Monday, 29th.

The Faculty of Theology traditionally begins its academic year with community gathering and orientation. This is an opportunity for creating and renewing acquaintances, and preparing for life within the community for the coming academic year. All full-time MDiv students are required to attend, and all other MDiv, MTS, full- and part-time faculty are welcome and encouraged to attend. There will be important information shared that may affect your student life as well as the opportunity to feel a part of a community.

Graduate MA: The Chair of the Graduate MA will invite new MA students to meet to him for one on one orientation specifically around the Graduate MA degree.

Community Rule of Life: Christian Community

Through its community life, the Faculty of Theology provides its members with the opportunity to grow spiritually as well as academically in order to be better equipped to meet the demands of religious leadership in the parish and beyond. This formation in community follows a model of Christian discipleship that also tries to be sensitiveto personal and family responsibilities. In 2016, we agreed to adopt a “Rule of Life” as a touchstone for our life together as a learning community.

Information regarding theology chapel services can be found in Chapel Services below.

Quiet Day Retreats for the community may be scheduled, and details will be announced.

Full-time MDiv students are also expected to participate in Chapel worship (as described in Chapel Services, below), community forums, and special events such as Fall Gathering, Retreat Days, the Fall Faculty Lecture, the Orr Lecture, and the annual St. Peter’s-Huron event in January. Students whose personal circumstances prevent them from following this guideline should negotiate an exemption or alternative from the Dean. Part-time MDiv students should base their own practice on a reasonable accommodation of this guideline and are encouraged to consult for advice.

Orientation Day—in person & on Zoom! Do you have your invitation?
COMMUNITY GATHERINGS & LUNCHES

Lunches will be in person; the presentations or discussions following will be online and in person. Please RSVP to srice@uwo.ca if you intend to be present for lunches, with any food allergies by Monday, August 29.

The Huron Theology community gathers in the Great Hall every Wednesday at 12:30 pm for an in-person lunch and at 12:30-2:20 pm in classroom H211 for an in-person and online community presentation and discussion. These gatherings are multi-faith and provide programming that explore current issues from both Christian and Muslim faith communities. A vegetarian lunch is provided along with a gluten-free option is available. Other dietary needs are addressed as needed.

Full-time students in the Master of Divinity Program are required to attend to the lunch/presentation, or online presentation. All part-time MDiv, and full-time and part-time MA, MTS, BTh, and special students are not required but strongly encouraged to attend. The cost of the Gathering is generously covered by the Bishop Hallam Theological Society and the Dean’s Office.

We are looking forward to welcoming you this year as an integral part of our Community. Details on the Wednesday Gathering can be found on the OWL site, as well as instructions to join the online, https://owl.uwo.ca/portal/site/510a4fe5-b021-462a-b739-2ee556fa0ad8. If you are unable to access it, please contact srice@uwo.ca.

CHAPEL SCHEDULE

Huron’s Faculty of Theology has an active worshipping community that gathers for daily prayer and spiritual growth. All services are open to the public and led by faculty and students, in a synchronous format that serves in-person and online worshippers. The Chapel of St. John the Evangelist, at Huron, is the physical home of the worshipping community.

Monday 8:40 am Contemplative Prayer (off-line)
Tuesday 8:40 am Morning Prayer. In-person, livestream
Wednesday 11:30 am Eucharist, in-person, livestream
Thursday 8:40 pm Compline
Friday 8:40 am Morning Prayer (Zoom)

See the Huron Theology Chapel Site on OWL for schedule, how to stream, Zoom, the Worship Duty Roster at: https://owl.uwo.ca/portal/site/76e7628b-96c0-438f-b908-c3ae6ec06120

• Liturgies used in the chapel services are authorized by the Anglican Church of Canada. Periodically, experimental liturgies are used with the expressed permission of the Dean of Huron College.

• Feast Days, according to the Anglican calendar, will be celebrated with a Eucharist in place of the normally scheduled service.

• Students lead and serve in the worship services as officiants, readers, intercessors and servers. If you would like to be involved, please contact Rev. Dr. Dawn Davis at ddavis48@uwo.ca.
We are spiritually formed through both common prayer and reflections on liturgical experience. Full-time MDiv students are required to attend at least three services a week; they are encouraged to attend all daily services.

There is also opportunity for involvement musically as cantor or providing additional musical instruments and music for services. Those interested in being involved in this way should contact Mr. Bill Lupton, Director of Music (ext.335), or email: blupton@huron.uwo.ca.

THE CHAPLAIN, FURTHER WORSHIP SERVICES, AND SUNDAYS

Huron has begun a search for a new Chaplain! Details about Sunday services and the search will follow.

MUSLIM PRAYER ROOM

The Prayer Room moved last year to a bright, new and renovated location, in room A109, and is traditionally available at any time.
MTS & BA THEOLOGY STUDENTS

The MTS degree does offer the opportunity for its students to focus on their individual spiritual development (with new areas of concentration in 2022) if they so choose, through participation in daily prayer online or in the chapel or in the Muslim Prayer Room, during the Fall Gathering, and Retreat Days, etc. MTS students are most warmly invited and encouraged to participate as actively in the life of the Faculty of Theology as they choose and are able.

Likewise, Majors/minors in Religion & Theology students are also invited to participate as actively in the community events of the Faculty of Theology are they choose and are able.

WESTERN ONE CARD

(Your Student/Faculty/Staff ID)
Western (including Huron) students are issued a WesternOne Card—that is both student identification, bus pass, and library card for all of UWO. New students who do not have this card will need to upload their photo this year. Here is some information regarding WesternOne Cards:
https://registrar.uwo.ca/services/western_onecard_and_photo_standards.html

If you requested a card on the Western Registrar’s website this summer, we understand they may be sent to Huron for pickup (unless they have informed you otherwise). Details to come.

MAPS OF HURON & WESTERN

Map of all of Western here.
WHAT'S NEW?

STUDENT ON-LINE ACCOUNT
Not new, but worth repeating:
There's an on-line statement of account, and all Huron University College students will be able to view their statement of account on-line on the Huron website. Your Theology bursary may not yet be reflected in this amount. Huron does not mail out an invoice.

TUITION/ FEES
Helpful FAQs for Student Billing are here.
Undergraduate program fees (yes, that's MDiv and MTS too) for Canadians & PR, and International fees are here.

Please note Theology MDiv/MTS courses are actually half courses, and each is equal to 0.5 of a course credit.

Graduate MA students pay Western, and their fees are here: See Fee Schedules, Domestic and International.

NEW FACULTY & STAFF
Assistant Professor of New Testament Language & Literature, Dr. Jennifer Quigley, and Rev. Soren Hessler have left for new opportunities. Faculty offices have switched around.

SABBATICALS:
Dr. Ingrid Mattson is on sabbatical Fall 2022, and Dr. Tracy Lemos will be on sabbatical in Winter 2023.

CONSTRUCTION
Construction will shortly begin on a large residence and new Dining Hall in the south end Student Parking area. The parking lot has lost several rows, so be sure to get your Parking Pass now.

SMOKING POLICY
All Western and Huron properties are smoke free and tobacco free—whether inside, outside, or in your vehicle in a parking lot. Please don't litter in areas surrounding Huron, and be considerate of neighbouring residents and businesses. This policy includes smoking or the use of any tobacco or cannabis products, including e-cigarettes.

STUDENT ABSENCES
The Self-Reported Student Absence policy that's been trialed in the last couple years, comes to an end this summer. Emails will be sent at the beginning of classes regarding methods of dealing with academic accommodation due to student absence due to illness or compassionate.

It is expected that documentation for medical absences, such as a doctor's note or other backup for compassionate reasons would be sent to the Dean's office who will then send notifications to your professors and recommend accommodations if needed. Medical information is not sent to the instructor.

COVID POLICY
Details about requirements at Huron due to the pandemic will be updated and detailed on the Huron Covid webpage. Check to see the details regarding recently announced vaccination booster requirement and masking. Vaccine@huron.uwo.ca for questions.
FINANCIAL AID

**MDIV/MTS FULL TIME**

The Faculty invites all qualified students in any year of the MTS or MDiv programs to submit an application for financial assistance during the ensuing year.

Applications for financial aid from Huron University College or the Diocese of Huron are available from the Dean’s assistant, srice@uwo.ca, or on the Faculty of Theology website here. The deadline for full-time students for the submission of this form is May 31 each year. Applications should be sent to office of the Dean of Theology. Please understand that there is no guarantee that all requests for financial aid will be fully met. The Financial Aid Committee, however, will seek to ensure that the funds available will be distributed as equitably as possible.

If you’ve been informed you are receiving Financial Aid from the Faculty of Theology, this amount is first deducted from your outstanding tuition. If there is Aid leftover, it will be issued to you. (Aid from the Diocese of Huron will be sent directly to you.) The bursary is not refunded to students if they leave the program or reduce course numbers.

Students may also apply to the Ontario Student Aid Program as well as to their sponsoring diocese or denomination. Help with O.S.A.P. is available through Jane Parker’s office at mjpark@uwo.ca and also online at www.osap.gov.on.ca. Information about other bursary sources (such as the Anglican Foundation and Ontario Graduate Scholarship) will be passed on to students, as they become available.

**PART-TIME APPLICATIONS**

These are considered at the beginning of September once courses are selected. Up to one-half of tuition could be refunded. Use the regular application form from above, and email to srice@uwo.ca.

You apply for MDiv, MTS, and Senior’s Bursaries each year, by the deadline.

**SENIOR’S BURSARY**

These applications also must be completed each academic year before classes begin. Here is a link to the policy.

**GRADUATE MA STUDENTS’ BURSARY**

GRADUATE MA STUDENTS receive their Theology bursaries (automatically) about three weeks into each term, if within the normal time frame for their degree. As they pay Western for their tuition, they must make arrangements to pay by Western’s deadline; however, we try to arrange with Western that the bursary portion of tuition is not due until when Huron issues its cheque.

**TUITION & FEES**

FAQs for MDiv/MTS Student Billing are here. Undergraduate (yes, that’s MDiv and MTS too) fees and tuition for Canadians & International students are here.

Please note that when the accounting office speaks of “4.0 credits” etc., or courses, they are speaking of full-year courses. MDiv/MTS Theology courses are half courses, and each is equal to 0.5 “credits.”.

**GRADUATE MA STUDENTS**

GRADUATE MA STUDENTS pay Western, and their fees are here. They should pay by Western’s deadlines.

**ADDING / DROPPING COURSES**

**FOR MDIV / MTS / BA STUDENTS**

The dates for adding and dropping courses outlined on the Calendar of Events refer to adding and dropping without academic penalty only. Refunds on tuition and fees, however, are prorated from the beginning of the school year, with smaller amounts being refunded as the year progresses. The amount refunded drops every Monday. You may wish to take this into account before making the decision to drop a course. Enquire to studentbilling@huron.uwo.ca for further details regarding the schedule of refunds or tuition or your account in general.

You should also be aware that adding a single course to your part-time course load might be enough to change your status to full time or vice versa, affecting your tuition status.
**PARKING**

Parking spaces at Huron are limited. If you wish to have a parking pass, complete the application online as soon as possible, as parking spaces are limited. You may decide to get a regular parking pass, a monthly, or a one-term pass for the student lot at the south end, or you may decide to just use per use pay and display if you need to come in to Huron only rarely to visit the library, for instance.

You can register up to two cars under each permit. You may contact Kristina in the Mailroom/Parking office at hurmail@uwo.ca with questions about parking and passes. If you don’t have a student # yet, use: 123456789.

For those not wishing to purchase a parking pass, a limited amount of metered parking may be available (first come, first served) in our Pay & Display lot. These parking spots are limited and strictly monitored, so keep an eye on the clock! Faculty will have received a separate email regarding parking possibilities.

**OTHER HURON SERVICES**

Go online to Student Life on Campus to see many of the other services available for you.

**WRITING SERVICES**

Don’t forget that, as a Huron student, you can take advantage of other student services at Huron, such as Writing Services. Our Peer and Graduate Tutors can work with you on any writing and communication piece, including essays, presentations, resumes, cover letters, and blogs. We also have TESL-certified instructors who can work with students who have a primary language that is not English. Our goal is to give focused, constructive feedback on your work and provide you with some strategies, tips, and resources to further develop and strengthen your voice. Whether you are an experienced writer or a new one, there is always value in receiving feedback. Writing Services has a planned a flexible, full complement of in-person and online services for the fall semester!

**COMPUTER ACCESS ISSUES**

Students or faculty having difficulties with their Western ID, login, OWL or other Western access should see this page: https://wts.uwo.ca/get_help/index.html

**VOICE COACH**

The Faculty of Theology is also pleased to offer the services of voice coach Mr. Peter Groom to students and faculty during the school year. Details and an invitation to take advantage of this opportunity will be emailed at the start of the year.

**HEALTH & WELLNESS**

We recognize the importance of providing supports to encourage students’ optimal health and wellness. For personal safety concerns, for health & wellness at Huron, please contact the Community Safety office.

**LONDON BUS PASS**

The UWO Students’ Council has arranged for City of London bus passes for all full-time undergraduate (yes, that’s MDiv and MTS) students. Check here for details. Your bus pass is your WesternOne card! You must be registered in full-time load of courses.

While you’re at the UWO Student’s Council website, take a look at the other services they offer! Retail and Dining, Income Tax Clinic, Food Support Services, a variety of health providers, etc.

Graduate MA students receive their full-time buspasses through SOGS, Society of Graduate Students. Details here.
OTHER UWO SERVICES

Check their websites for updates.

Your fees include a UWO student council amount that may entitle you to make use of offerings and services at UWO. Directly across the street from Huron is the UCC building (University Community Centre). There, you will find the UWO Book Store, Computer Store, Student Health Services/Pharmacy, Food Hamper, along with places to eat and student clubs, and much more. Check out all their services.

Flexible Child Care and other childcare options can be investigated here.

CAMPUS RECREATION FACILITIES
Facilities such as pools, gyms, etc., can be found on UWO website.

STUDENT ACCESSIBILITY SERVICES
The former “Services for Students with Disabilities” provides academic assistance and accommodation at undergraduate and graduate levels for those with ongoing or chronic illness or disability. Check out their website under Accessible Education at: http://academicsupport.uwo.ca/ Students with disabilities seeking an academic accommodation are required to register with the SAS in the Student Development Centre at Western and arrange for an initial consultation with a counsellor.

STUDENT HEALTH PLANS, UNDERGRAD & GRADUATE

Information about the Student Health Plan, for full-time UWO undergraduate students (yes, that is MTS and MDiv, too!) can be found at the westernusc.ca website. Information about opting out of the health plan is here as well. This health plan provides medical and dental plans.

You must have a full registration of courses before September 20.

Find out what services and reimbursements you are entitled to before you need them!

GRADUATE MA STUDENTS
Student health plan (medical and dental) for MA grad students is here. Also other services offered by SOGS, Society of Graduate Students, such as Bus Pass, are listed here.

THEOLOGY CENTRE & LOCKERS
The Theology Centre is traditionally the gathering place for theology students. This room, beside the Morden Classroom (room V210) on the V (Valley) level of the College, should be locked at all times. You’ll then get the passcode from the Theology office. In the meantime, here’s a brief description:

In addition to a cloakroom, a kitchenette with fridge and microwave, the Theology Centre area also contains small and larger lockers. Use of these lockers for books, coats, and other personal items is encouraged, as the Theology Centre Lounge may be unoccupied from time to time. Never leave valuables unattended—even in the Theology Centre Lounge itself.

Please be considerate of classes in session just next door!
COURSE REGISTRATION

Find the Course Registration Handbook on your degree's webpage under "course listings." If you need a copy, just email sprice@uwo.ca. Follow the instructions there. The Registration Handbook gives suggestions for first year courses for each degree. Ask if you need help.

CAN I CHANGE MY CHOICES? & DEADLINES TO ADD AND DROP

You’ll need to pick courses for both terms, so that you have sufficient courses to be a full-time student, for instance, and so that faculty will know if there are sufficient registrations to hold the class, and to order sufficient texts, etc. You can change your courses by dropping and adding, assuming room in the courses.

Deadlines to add/drop for Fall 2022:
Last day to add a first-term course:
September 16
Last day to drop a first-term half-course:
November 12 (without academic penalty)

Deadlines to add/drop for January 2023:
Last day to add a second-term course:
January 17
Last day to drop second-term half-course:
March 7, 2023 (without academic penalty)

(Please note that these dates are for adding and dropping without academic penalty. There may be financial penalties. Please see tuition office for the pro-rated schedule of refunds. Graduate MA students will be emailed regarding course selection.)

REGISTRATION COMPUTER PROBLEMS

If, for some reason, the computer won’t let you pick a course which you have all the prerequisites for, or let you sign up for second term courses (because you haven’t technically completed the first-term prerequisite yet), you may sign up for the courses by asking for a manual registration from the Theology office. Also, please report classes that appear to be “full.” We can often “fix” this for you!

YOUR PROGRAM

The requirements for your particular program are outlined in the Faculty of Theology calendar for the year under which you entered. Ultimately, you are responsible for fulfilling these requirements.

Any requests to change your program as outlined in the calendar under which you entered must be petitioned to the Faculty of Theology Committee, FTC (see Theology Calendar).

Check on your Student Centre, (student.uwo.ca) that you are enrolled in the classes you should be in. If in doubt about your status, see your Academic Advisor.

Want to track your program? Get a map for the MDiv or MTS on your degree webpage to track your progress as you move through your degree. Feel free to check its accuracy with your advisor.

ATTENDANCE & FAILURE TO DROP

If you cease to attend a course without officially dropping it (online or through manual add/drop through the Theology office), or if you drop it after the deadline, the mark for the course will be indicated on your official transcript as F (fail). Likewise, you cannot receive a mark or credit for a course you attend in which you are not officially registered. Those who are approved to register for a course as an auditor are also required to regularly attend courses (although they do not participate in exams, assignments, quizzes, etc.). Auditors must obtain permission of the instructor and dean before attending any classes.

See your registration handbook for more info
YOUR UWO EMAIL ACCOUNT

All students are assigned a UWO email account once they are set up as a student. You should activate your UWO identity as per the Registration Handbook, if you have not already done so. Western also gives you a free subscription to Office 365 for use on several devices. Details are here: https://wts.uwo.ca/self_serve/index.html

However, for student centre and OWL, you’ll use your Western username (the part of your email address before “@,” of your email address), when accessing your UWO email in Outlook online (at myoffice.uwo), on the Outlook app, use your entire UWO email as your Username.

If you prefer to receive your mail at another e-mail address, you must forward your UWO e-mail to your preferred address, because official correspondence and important messages from UWO, Huron, the Registrar’s Office, and Library will be sent to your UWO e-mail address. Western has indicated that no concessions will be considered for those who fail to read their e-mail, so please check your UWO account regularly. Students are able to use Huron’s computer lab or the library to access their e-mail and the internet.

FINDING EMAIL ADDRESSES

For emails of faculty, staff, and students, you can go to the UWO website, www.uwo.ca and select “UWO Directory” from the top right. Theology faculty emails are available on the Huron website at “Contact.”

CHANGING YOUR ADDRESS

You must let Western know of any change of address, which can be done through their website: Student.uwo.ca.

OWL CLASS SITES & ONLINE COURSES

owl.uwo.ca

OWL is a website that your professor will use as an online resource for your class, whether you are in-person or online. You may use it for finding course outlines, discussion, class announcements, for readings, for submission of assignments, and perhaps to view assignment marks. You can access it through owl.uwo.ca, and you use your UWO id and password to logon and find your class page(s). If you aren’t registered in a class, you won’t be given automatic access to the OWL site. Your instructor or the Theology office will have to add you manually, in that case.

Assistance can be found at Student Services Building at the reception desk (just north of Huron on Western Road) or here.

Your instructor will send you a welcome email before the beginning of classes, indicating how that particular class may be accessed online if anyone in the class has that permission. For many courses, online students will go onto OWL, open that course’s page, find the Zoom tool on the left-hand menu, and use it to open the link to the day’s class.

Before classes though, you should make sure that you are properly activated as a Western student, with a working UWO email (the first half of your Western email is your Username and your password which you chose is also needed). You should also set up UWO Zoom for yourself, especially if you will be online. (Using a Western account means you have access to longer Zoom meetings. Some faculty and meeting organisers restrict Zoom access to Western Accounts, so please check that you are using your Western Zoom. Help here: https://wts.uwo.ca/zoom/getting_started.html

ZOOM, SETTING UP & ACCESSING

Download the Zoom app to your computer and/or your phone. Set up your Western Zoom account. When you follow an invitation link to Zoom, it will open in your app, and, after the first try, should open in your Western account without any further input from you! If you haven’t used it before, set up your own Zoom meeting with a friend, and give it a try, or watch a video on YouTube. You’ll also get to try it out at Orientation. You need Dean’s permission or to have enrolled with online indicated in order to take online courses.

Go to here for your instructions to set up Western Zoom: https://wts.uwo.ca/zoom/index.html, and how to sign in to westernuniversity SSO.

NEW COURSE OFFERINGS

Some of the courses listed on this year’s timetable are new, Special Topics, or Guided Readings courses, and their topics are not described in the Calendar.
