

Multi Year Accessibility Plan – 2019 Annual Status Report

In 2019, Huron University College has:

- Reviewed and updated our Customer Service Standard Policy.
- Reviewed and updated our Integrated Accessibility Standards Regulations Policy.
- Included Huron's institutional committee in both the revised Customer Service Standard and Integrated Accessibility Regulations Standards Policies.
- Updated our training material and trained all faculty, staff and student employees of Huron on the following standards as they related to the AODA:
 - Customer Service Standard;
 - Information and Communications Standard;
 - Employment Standard;
 - Transportation Standard;
 - Public Spaces / Built Environment Standard, and;
 - Human Rights and the AODA.
- Built a new accessible ramp for persons with disabilities who use mobility aids to better access campus facilities.
- Started construction on a new campus building that will fully encompass accessibility requirements.
- Reviewed Huron's Multi Year Accessibility. Full review and update slated for 2020.
