## ACADEMIC INFORMATION

<b>TEACHING YEAR</b>	Most of our modules run for a single semester; however, it is important to note that Bath Spa's semester schedule may not match up with that of the sending university.  We strongly recommend that students stay until the end of the semester in order to obtain all the required credits. If students cannot stay until the end of the semester, they should let both universities know as soon as possible.
<b>LANGUAGE OF INSTRUCTION</b>	All courses at Bath Spa University are taught in English and students are expected to have the equivalent of CEFR B2 Level in English.
<b>COURSE LOAD/ CREDITS</b>	Students will need to register for a total of 60 Bath Spa credits* per semester in order to be considered a full-time student. *60 Bath Spa credits = 30 European Transfer Credit System credits (ECTS) *60 Bath Spa credits = 12-15 Semester Credit Hours (SCH)
<b>MODULE CATALOGUE</b>	For an overview of specific subject areas, visit our <a href="#">course index page</a> . We will issue links to module descriptions when we invite students to complete the application form. It is important to note that modules may be amended, added, or removed, and we are therefore unable to confirm a student's timetable until their enrolment.
<b>REGISTRATION AND ENROLMENT</b>	As part of the registration process, students will be invited to register online approximately two weeks prior to their start date. They will then be able to view their timetable, have access to the student portal called 'The Hub' and the Virtual Learning Environment, Blackboard Collaborate Ultra.
<b>TRANSCRIPTS</b>	We will email a digital copy of the Transcript of Records to both the student and their home university. If a physical copy is required, this can be requested.  Semester 1 transcripts will be issued in March/April.  Semester 2 and full-year transcripts will be issued in July.

## ACADEMIC CALENDAR

## PRE-DEPARTURE INFORMATION

<b>AIRPORTS</b>	Students are encouraged to arrive in the UK on the designated arrival day so that we can offer guidance on airport transfers to campus from London Heathrow or Bristol Airport.  Bristol International Airport is the closest airport to Bath Spa University, with direct flights operating across Europe. London Heathrow is approximately two hours from Bath Spa University. We are unable to offer a bespoke airport pick-up service, but we can provide advice and guidance on using public transport.
<b>INSURANCE</b>	Students must be adequately insured for loss, theft, or damage of personal belongings, passports, travel documents, health care, etc. Students can find their own insurance in their home country or contact Endsleigh Insurance, <a href="http://www.endsleigh.co.uk">www.endsleigh.co.uk</a> (supported by the Students' Union).
<b>VISA REQUIREMENTS</b>	The type of visa students require depends on how long they will be at Bath Spa University. For further information please see our <a href="#">website</a> . Students can also check if they will need a visa on the UK Government <a href="#">website</a> . It is the student's responsibility to ensure they apply for a visa, but they can contact <a href="mailto:immigrationadvice@bathspa.ac.uk">immigrationadvice@bathspa.ac.uk</a> should they have any questions.
<b>ACCOMMODATION</b>	The University is unable to guarantee accommodation for single-semester students. There are a limited number of university-owned rooms available but as the contracts for these cover two semesters, most students seek accommodation in the private sector. To access the University's list of registered landlords on <a href="#">StudentPad</a> , and a list of other housing providers and resources, please email <a href="mailto:accommodation@bathspa.ac.uk">accommodation@bathspa.ac.uk</a> to request log-in details. The waiting list to apply for University accommodation opens from 1 July. Please note this would be under the same conditions as above. More information is available via this link from 1 July <a href="http://www.bathspa.ac.uk/student-life/accommodation/applying-for-accommodation">www.bathspa.ac.uk/student-life/accommodation/applying-for-accommodation</a>  Further advice and guidance about finding private sector accommodation will be sent directly to students as part of the pre-arrival information.
