**APPLICATION INSTRUCTIONS**

You may request a Dean's Waiver of Progression Requirements **ONLY** if you have experienced significant concerns during the academic year which were **outside of your control**. The problems must have been severe enough to have had a drastic effect on your academic performance and must be supported by appropriate documentation. *Waivers are granted in exceptional circumstances only; it is not the usual practice of Huron University College to grant more than one waiver in a student's academic career.*

Your application must be signed and submitted to the Registrar at Huron University College no later than June 30, 2022.

Applications submitted must be typed, with all questions answered, and must include all relevant supporting documentation. Please note that personal information will be held in strict confidence. It is recommended that you make copies of all information submitted and follow up to confirm receipt of your documentation. It is your responsibility to ensure that your application is true and complete, and that you have responded to all of the questions listed; incomplete applications will not be considered.

## **APPLICATION DEADLINE: June 30, 2022**

Provide supporting documentation (ex.: medical certificate, email communication with instructors, etc.), if possible.

4. Why do you think you would be successful in University-level academic studies if your request is granted?
  - How have the circumstances that affected your academic studies changed?
  - How have you dealt with or recovered from the difficulties you experienced?

5. Describe your academic goals if you are allowed to return to University.
  - What is your long-term degree/program objective?
