AT HURON YOU ARE A FACE, NOT JUST A STUDENT NUMBER

We will challenge you to show up and show off the ways in which you're going to change the world. In the classroom and beyond, we teach our students to lead ethically, with Huron being the only university in Canada that prioritize ethics and character building, in addition to academics.

The moment you step on to campus, you'll feel right at home. Our small community will not only provide you with the support you need to thrive, but also the environment to build meaningful relationships and a stand-out university experience.

From smiling student leaders greeting you on your first day, Orientation Week, clubs, events, and everything in between, we will make sure you feel valued in our truly vibrant community.

THE HURON DIFFERENCE

OUR DEDICATION TO CREATING AN EXCEPTIONAL, PERSONALIZED UNIVERSITY EXPERIENCE WILL BE WHAT DISTINGUISHES YOU – AND YOUR PORTFOLIO – WITHIN GROWINGLY COMPLEX AND COMPETITIVE MARKETS, SO YOU CAN JOIN OUR LEGACY OF EXCELLENCE IN GLOBAL LEADERSHIP.

1

A UNIQUE UNDERGRADUATE LEARNING ENVIRONMENT

The Huron Experience is truly one-of-a-kind. While most universities take in thousands of students every year, Huron limits our incoming cohort to around 500 students. This means, the average number of students in your classes will be **30** rather than 300, 500 or 800. Plus, our student to faculty ratio is only 20:1. Instead of competing for recognition, you will be able to easily access the opportunities you enjoy that will also help you create a stand-out portfolio.

2

OUR CULTURE OF CARE – PERSONALIZED SUPPORT FROM APPLICATION TO GRADUATION

Our **Leaders with Heart** learn better and do more because we ensure our resources are never spread thin across our student body. From financial support through to help starting your very own club, you will always have a personal advisor who has your best interests at heart. Before you even start at Huron you will meet your dedicated academic advisor who will support you throughout your time at Huron.

3

GUARANTEED PAID INTERNSHIPS OPPORTUNITY FOR ALL STUDENTS, IN ALL PROGRAMS

Every single student is guaranteed a paid internship opportunity, so you get to connect your learning with workplace experience and earn while you learn. Career Development will connect you with top ranking companies and life-changing opportunities, while helping you through every single step of the application and interview process.

4

WORLD-CLASS PARTNERSHIPS

Our university promises to deliver on an education that is as prestigious as it is principled. Part of that commitment involves our collaboration with the world's highest calibre of institutions and organizations.
