Course Description
The seminar course analyzes the effects of these wars, especially those of the excesses committed by the dominant armies. People recall the real and supposed war crimes differently, attempts to interpret their moral significance often become contentious. Therefore, this course also presents the students with opportunity to study various interpretations and memories.

Course Learning Objectives
By the end of this course student will be able to: (1) develop a critical understanding of the crucial wars fought in East Asia since 1839; (2) identify the geo-political and socio-economic forces that affect how people remember and reconstruct them; (3) evaluate historiographical debates among historians across a range of topics on war and memory in East Asia; (4) hone their analytical skills by examining new evidence on facets of these wars; (5) articulate their critical views, both in class discussion and in written work; (6) demonstrate the value of historical inquiry.

Rules and Regulations

The History Department has specified that:

1. All essays are to be submitted in hard copy, typed and double-spaced on substantial white paper.

2. Footnotes, endnotes and bibliographies are to be prepared according to the Departmental Guide (which follows).

3. Late marks are calculated on the paper copy submitted to the instructor or in the Essay Drop Box. Late penalties are calculated according to calendar day, including weekends.

4. In first and second year courses lateness will be penalized as follows: First day late -- 3 marks deduction. Each subsequent calendar day late -- 2 marks per day deduction.

5. Third and fourth year seminars will be penalized for lateness at the rate of half a grade (5%) per day.

6. No paper or seminar will be accepted if it is more than seven calendar days late.

7. Extensions will only be given for assignments worth more than 10% with medical documentation submitted through Academic Counseling.

8. Since this is an essay course, students must complete the written assignments worth more than 10% to pass the course.

Plagiarism:

Students must write their essays and assignments in their own words. Whenever students take an idea or a passage from another author, they must acknowledge their debt both by using quotation marks where appropriate and by proper referencing such as footnotes or citations. Plagiarism is an academic offence and will be dealt with in accordance with the relevant policy of the Huron University College (http://www.uwo.ca/univsec/handbook/appeals/scholastic_discipline_undergrad.pdf). Note that to convey others’ phrases or sentences without quotation marks or block quotation, even if footnoted,
constitutes plagiarism. Students who are in doubt as to the nature of this offence should consult their instructor, department chair, dean’s office, as well as the Huron University College Statement on Plagiarism, available at [http://www.huronuc.on.ca/pdf/FASSonPlagiarism.pdf](http://www.huronuc.on.ca/pdf/FASSonPlagiarism.pdf). In addition, students may seek guidance from a variety of current style manuals available at the Reference Desk in the Huron University College Library. Information about these resources may be found at [www.huronuc/library/research_guides_and_handouts](http://www.huronuc/library/research_guides_and_handouts).

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University of Western Ontario for the detection of plagiarism. All papers submitted will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the Turnitin.com system. Use of the service is subject to the license agreement, currently between the UWO and Turnitin.com (http://www.turnitin.com)

**Medical Absences:**

For work representing 10% or more of the overall grade for the course, a student must present documentation indicating that s/he was seriously affected by illness and could not reasonably be expected to meet her/his academic responsibilities. Huron students should take their medical documentation to the Academic Counselor, Academic Services Centre at Huron University College, together with a Request for Relief specifying the nature of accommodation requested. Documentation for non-Huron students must be submitted as soon as possible to the student’s Faculty Dean’s Office. The request and documentation will be assessed and appropriate accommodation will be determined by the Dean’s office in consultation with the instructor(s). Academic accommodation will be granted only where the documentation indicates that the onset, duration, and variety of the illness are such that the student could not reasonably be expected to complete her/his academic responsibilities. The UWO Student Medical Certificate ([http://studentservices.uwo.ca/secure/medical_document.pdf](http://studentservices.uwo.ca/secure/medical_document.pdf)) and Request for relief ([http://www.huronuc.ca/pdf/AcademicCounselingRequestforReliefFormMar08.pdf](http://www.huronuc.ca/pdf/AcademicCounselingRequestforReliefFormMar08.pdf)) are available at the Student Centre Website ([http://studentservices.uwo.ca/secure/index.cfm](http://studentservices.uwo.ca/secure/index.cfm)), the Huron University College Academic Counseling website ([http://huronuc.ca/faculty_arts_social science/academic_counseling/](http://huronuc.ca/faculty_arts_social science/academic_counseling/)) or from the Academic Service Centre at Huron.

For work representing less than 10% of the overall grade, if a student is unable to meet a deadline for reasons beyond her/his control, s/he should discuss the matter with the instructor in advance and give adequate justification.
Non-Medical Absences:

Request for academic accommodation for non-medical reasons will be considered by the instructor, or appropriate department chair, or dean’s office in accordance with the relevant policies of the University of Western Ontario, available at http://www.westerncalendar.uwo.ca/2009/pg118.html, http://www.westerncalendar.uwo.ca/2009/pg119.html, and http://www.westerncalendar.uwo.ca/2009/pg122.html.

It is not appropriate to use technology (such as, but not limited, to laptops, PDAs, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

Prerequisite:

If you do not have the prerequisite for this course or written special permission from the dean to enroll in this course, you will be removed from this course and it will be deleted from your record. The decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisite.

Anti-requisite: None.

Academic Counseling:

History students registered at Huron who require counseling about their program of study should arrange to meet with one of the Academic Advisors, Ms. Betty Camarinha (bsanchez@uwo.ca) and Erie Conners (erie.conners@uwo.ca), and on related matters (e.g. appeals, letters of permission, special permission) should contact the Chair of the History Department, Dr. Nina Reid-Maroney (Office: Room A305; Phone: 519-438-7224, ext. 358; Email: nreidmar@uwo.ca).

Appendix to Course Outlines: Academic Policies & Regulations 2019/2020

Prerequisite and Antirequisite Information

Students are responsible for ensuring that they have successfully completed all course prerequisites and that they have not completed any course antirequisites. Unless you have either the requisites for this course or written special permission from your Dean to enrol in it without them, you may be removed from this course and it will be deleted from your record. If you enrol in this course despite having already taken an antirequisite you may be removed from this course and it will be deleted from your record. Removals for these reasons may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites or for having already taken the antirequisites.

Conduct of Students in Classes, Lectures, and Seminars

Membership in the community of Huron University College and Western University implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. The academic and social privileges granted to each student are conditional upon the fulfillment of these responsibilities.

In the classroom, students are expected to behave in a manner that supports the learning environment of others. Students can avoid any unnecessary disruption of the class by arriving in sufficient time to be seated and ready for the start of the class, by remaining silent while the professor is speaking or another student has the floor, and by taking care of personal needs prior to the start of class. If a student is late, or knows that he/she will have to leave class early, be courteous: sit in an aisle seat and enter and leave quietly.

Please see the Code of Student Conduct at:

Technology

It is not appropriate to use technology (such as, but not limited to, laptops, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and is distracting to other...
students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

**Attendance Regulations for Examinations**

A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.

2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

**Short Absences:** If you miss a class due to a minor illness or other problems, check your course outline for information regarding attendance requirements and make sure you are not missing a test or assignment. Cover any readings and arrange to borrow notes from a classmate. Contact the course instructor if you have any questions.

**Extended Absences:** If you have an extended absence, you should contact the course instructor and an Academic Advisor. Your course instructor and Academic Advisor can discuss ways for you to catch up on missed work and arrange academic accommodations, if appropriate and warranted.

It is important to note that the Academic Dean may refuse permission to write the final examination in a course if the student has failed to maintain satisfactory academic standing throughout the year or for too frequent absence from the class or laboratory.

Please see the policy on Attendance Regulations for Examinations here: [https://www.uwo.ca/univsec/pdf/academic_policies/exam/attendance.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/exam/attendance.pdf).

**Class Cancellations**

In the event of a cancellation of class, every effort will be made to post that information on the OWL class site, is [https://owl.uwo.ca/portal](https://owl.uwo.ca/portal) and on the Huron website at [www.huronuc.on.ca/about/accessibility](http://www.huronuc.on.ca/about/accessibility).

**Academic Student Support Services**

For advice on course selections, degree requirements, and for assistance with requests for medical accommodation, students should email an Academic Advisor in Huron’s Student Support Services at [huronsss@uwo.ca](mailto:huronsss@uwo.ca). An outline of the range of services offered is found on the Huron website at: [www.huronuc.ca/student-life-campus/student-services/academic-advising](http://www.huronuc.ca/student-life-campus/student-services/academic-advising).
Department Chairs and Program Directors and Coordinators are also able to answer questions about their individual programs. Their contact information can be found on the Huron website at: www.huronuc.ca/student-life-campus/art-social-science and at www.huronuc.ca/student-life-campus/management-and-organizational-studies.

**Adding / Dropping Courses**

If you think that you are too far behind to catch up or that your workload is not manageable, you should consult your Academic Advisor. If you consider reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines. Please refer to the Huron website, huronuc.ca/student-life-campus/student-services/academic-advising or review the list of official Sessional Dates on the Academic Calendar, available here: http://www.westerncalendar.uwo.ca/SessionalDates.cfm.

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. Note that dropping a course may affect OSAP and/or Scholarship/Bursary eligibility.

**Statement on Academic Integrity**

The International Centre for Academic Integrity defines academic integrity as "a commitment, even in the face of adversity, to five fundamental values: honesty, trust, fairness, respect, and responsibility. From these values flow principles of behaviour that enable academic communities to translate ideals to action." (CAI Fundamental Values Project, 1999).

A lack of academic integrity is indicated by such behaviours as the following:

- Cheating on tests;
- Fraudulent submissions online;
- Plagiarism in papers submitted (including failure to cite and piecing together unattributed sources);
- Unauthorized resubmission of course work to a different course;
- Helping someone else cheat;
- Unauthorized collaboration;
- Fabrication of results or sources;
• Purchasing work and representing it as one’s own.

**Academic Integrity: Importance and Impact**

Being at university means engaging with a variety of communities in the pursuit and sharing of knowledge and understanding in ways that are clear, respectful, efficient, and productive. University communities have established norms of academic integrity to ensure responsible, honest, and ethical behavior in the academic work of the university, which is best done when sources of ideas are properly and fully acknowledged and when responsibility for ideas is fully and accurately represented.

In the academic sphere, unacknowledged use of another’s work or ideas is not only an offence against the community of scholars and an obstacle to academic productivity. It may also be understood as fraud and may constitute an infringement of legal copyright.

A university is a place for fulfilling one's potential and challenging oneself, and this means rising to challenges rather than finding ways around them. The achievements in an individual’s university studies can only be fairly evaluated quantitatively through true and honest representation of the actual learning done by the student. Equity in assessment for all students is ensured through fair representation of the efforts by each.

Acting with integrity at university constitutes a good set of practices for maintaining integrity in later life. Offences against academic integrity are therefore taken very seriously as part of the university’s work in preparing students to serve, lead, and innovate in the world at large.

A university degree is a significant investment of an individual’s, and the public’s, time, energies, and resources in the future, and habits of academic integrity protect that investment by preserving the university’s reputation and ensuring public confidence in higher education.

Students found guilty of plagiarism will suffer consequences ranging from a grade reduction to failure in the course to expulsion from the university. In addition, a formal letter documenting the offence will be filed in the Dean’s Office, and this record of the offence will be retained in the Dean’s Office for the duration of the student’s academic career at Huron University College.

**Statement on Academic Offences**

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, as per the Academic Calendar:
http://www.westerncalendar.uwo.ca/PolicyPages.cfm?PolicyCategoryID=1&Command=showCategory&SelectedCalendar=Live&ArchiveID=#SubHeading_189.

**Turnitin.com**

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for a detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between Western University and Turnitin.com.
**Computer-Marked Tests/exams**

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

**Clickers**

Personal Response Systems ("clickers") may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:

- the use of somebody else’s clicker in class constitutes a scholastic offence
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.

**Policy on “Special” Accommodation**

Students who require special accommodation for tests and/or other course components must make the appropriate arrangements with the Student Development Centre (SDC). Further details concerning policies and procedures may be found at: [http://www.sdc.uwo.ca/ssd/index.html](http://www.sdc.uwo.ca/ssd/index.html).

**Policy on “Academic” Accommodation - Medical / Non-Medical Grounds**

Students who require academic accommodation for tests and/or other course components must make the appropriate arrangements with the Student Development Centre (SDC). Further details concerning policies and procedures may be found at: [http://www.sdc.uwo.ca/ssd/index.html](http://www.sdc.uwo.ca/ssd/index.html).

(a) **Medical Grounds for assignments worth 10% or more of final grade:** Go directly to Huron Support Services/ Academic Advising, or email huronsss@uwo.ca.

University Senate policy, which can be found at, [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf), requires that all student requests for accommodation on medical grounds for assignments worth 10% or more of the final grade be made directly to the academic advising office of the home faculty (for Huron students, the “home faculty” is Huron), with supporting documentation in the form (minimally) of the Senate-approved Student Medical Certificate found at: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf).

The documentation is submitted in confidence and will not be shown to instructors. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before
denying a request for accommodation on medical grounds, the instructor will consult with the Dean. The instructor’s decision is appealable to the Dean.

(b) **Accommodation on Medical Grounds for assignments worth less than 10% of final grade: Consult Instructor Directly**

When seeking accommodation on medical grounds for assignments worth less than 10% of the final course grade, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor may require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. The instructor may not collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before denying a request for accommodation on medical grounds, the instructor will consult with the Dean. The instructor’s decision is appealable to the Dean.

(c) **Non-Medical Grounds: Consult your Instructor directly.**

Where the grounds for seeking accommodation are not medical, the student should contact the instructor directly. Late penalties may apply at the discretion of the instructor. Apart from the exception noted below, academic advisors will not be involved in the process of accommodation for non-medical reasons.

Where a student seeks accommodation on non-medical grounds where confidentiality is a concern, the student should approach an academic advisor with any documentation available. The advisors will contact the instructor after the student’s request is received, and will outline the severity and duration of the challenge without breaching confidence. The student will be informed that the instructor has been notified that significant circumstances are affecting or have affected the student’s ability to complete work, and the student will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. Before denying a request for accommodation where documentation has been submitted to an academic advisor, the instructor will consult with the Dean. The instructor’s decision is appealable to the Dean.

**Requests for Academic Consideration Using the Self-Reported Absence Form**

The full Policy on Academic Consideration for student Absences – Undergraduate Students in First Entry Programs is available at: [https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic_Consideration_for_absences.pdf](https://www.uwo.ca/univsec/pdf/academic_policies/appeals/Academic_Consideration_for_absences.pdf).

Students who experience an unexpected illness or injury or an extenuating circumstance (48 hours or less) that is sufficiently severe to temporarily render them unable to meet academic requirements (e.g., attending lectures or labs, writing tests or midterm exams, completing and submitting assignments, participating in presentations) should self-declare using the online Self-
Reported Absence portal. This option should be used in situations where the student expects to resume academic responsibilities within 48 hours or less.

The following conditions are in place for self-reporting of medical or extenuating circumstances:

- **a.** students will be allowed a maximum of two self-reported absences between September and April and one self-reported absence between May and August;

- **b.** any absences in excess of the number designated in clause a above, regardless of duration, will require students to present a Student Medical Certificate (SMC), signed by a licensed medical or mental health practitioner, detailing the duration and severity of illness, or appropriate documentation supporting extenuating circumstances to the Academic Counselling unit in their Faculty of registration no later than two business days after the date specified for resuming responsibilities. Please see section 4 below for more details.

- **c.** The duration of the excused absence will be for a maximum of 48 hours from the time the Self-Reported Absence form is completed through the online portal, or from 8:30 am the following morning if the form is submitted after 4:30 pm;

- **d.** The duration of the excused absence will terminate prior to the end of the 48 hour period should the student undertake significant academic responsibilities (write a test, submit a paper) during that time;

- **e.** The duration of an excused absence will terminate at 8:30 am on the day following the last day of classes each semester regardless of how many days of absence have elapsed;

- **f.** Self-reported absences will not be allowed for scheduled final examinations; for midterm examinations scheduled during the December examination period; or for final lab examinations scheduled during the final week of term;

- **g.** Self-reporting may not be used for assessments (e.g. midterm exams, tests, reports, presentations, or essays) worth more than 30% of any given course.

- **h.** students must be in touch with their instructors no later than 24 hours after the end of the period covered by the Self-Reported Absence form, to clarify how they will be expected to fulfil the academic expectations they may have missed during the absence.
