

APPROACHES TO RESEARCH

Interdisciplinary Studies 1101F **Mondays 10:30-11:30 & Wednesdays 10:30-12:30** **Room H-119**

Professor: Dr. John P. Hope
Email: jhope24@huron.uwo.ca
Office Hours: Tuesday 12:30-1:30, Thursday 11:30-12:30, and by appointment
Prerequisites: Enrolment in Huron's Scholar's Electives program

Course Description

This course introduces the skills needed to develop research questions and build a research project, including disciplinary and interdisciplinary approaches to research, principles and practices of research methods, and information literacy. We will focus on the process of research, the ways it can be conducted, and the issues it raises.

Learning Objectives

This course aims to help students to:

- Identify and apply a wide range of disciplinary perspectives
- Analyze and apply different methodological approaches to research

- Discuss and apply ethical principals in research conduct
- Develop oral and written presentation skills

Course Method

This course will include research skills seminars, workshops, and discussions of interdisciplinary and multidisciplinary research methods. Over the term, students will engage in multiple modes of inquiry, including lectures, in-class and online discussions, critical learning reflections, and oral presentations.

Class will meet in person. We will also conduct asynchronous conversations using the OWL Forums tool. From the beginning of the term until Fall Reading Week, the basic pattern will be guest lectures on Mondays, followed by discussions on Wednesdays. The lectures will be given by a variety of guest speakers representing different fields. They will often involve readings to be done before the class meets. Our discussions will focus on the issues raised by the speakers, and will be preceded and followed by posts on OWL Forums. Following Fall Reading Week, the rest of the term will be devoted to group work and the creation of a group project, which will be presented on the last day of class.

Assessment

Grades will be determined by the following assignments:

- Preparation and participation: 25%
- Critical learning reflections: 25%
- OWL discussions: 25%
- Group Presentation: 25%

This course does not have a final exam.

Preparation and Participation

This class is a collaborative effort, and students are expected to be fully engaged. Your final participation grade will reflect the frequency of your participation in class discussion and the quality of your contributions. Attendance is mandatory. (See appendix for Huron's policies on excusable absences.)

Critical Learning Reflections

You will write a series of weekly reflections documenting your learning over the course. More details on how written critical reflections should be organized will be provided, and we will have a workshop on reflective writing during the first week of class. Weekly reflection entries are due no later than 6:00 pm each Sunday during the semester.

OWL Discussions

For each guest lecture, you will contribute to our OWL discussion thread (accessed via the Forums tab). After each presentation you will be asked to write one post and to make at least one comment in response to a classmate's post in advance of Wednesday's class. After Wednesday's class you will again write one post and at least one response to a classmate or moderator before the next lecture on the following Monday. Your grade will reflect the depth of your engagement and the quality of your participation.

Group Project and Presentation

The class will participate in a group project that will culminate in a formal oral presentation on the last day of the course. More details on the project will be provided in class and on OWL.

TENTATIVE COURSE SCHEDULE

Mon. 9/12	Course Introduction
Wed. 9/14	Writing center workshop: Reflective Writing. Overview of research.
Mon. 9/19	The Social Construction of Ignorance (Dr. Jennifer Epp, Philosophy)
Wed. 9/21	Class discussion
Mon. 9/26	Experimental Design and Consumer Research (Dr. Matthew Maxwell-Smith, BMOS)
Wed. 9/28	Class discussion
Mon. 10/3	Counterfactuals and Quantitative Data (Dr. Michael Kottelenberg, Economics)
Wed. 10/5	Class discussion
Mon. 10/10	Thanksgiving
Wed. 10/12	Historical Methods and Public Scholarship (Dr. Tim Compeau, History)
Mon. 10/17	Class discussion
Wed. 10/19	Lecture Title TBA (Dr. Jennifer Mustapha, Political Science)
Mon. 10/24	Researching Book History (Dr. Scott Schofield, English)
Wed. 10/26	Class discussion. Introduction to final project. Library workshop: Research Skills.
Mon. 10/31	<i>Fall Reading Week</i>
Wed. 11/2	<i>Fall Reading Week</i>
Mon. 11/7	Putting the Pieces Together: Group Brainstorming Session
Wed. 11/9	Putting the Pieces Together: Group Project Planning
Mon. 11/14	Group Work
Wed. 11/16	Group Work
Mon. 11/21	Group Work
Wed. 11/23	Group Work
Mon. 11/28	Group Work
Wed. 11/30	Group Work
Mon. 12/5	Group Work
Wed. 12/7	Group Presentation

Appendix to Course Outlines: Academic Policies & Regulations Fall/Winter 2022

Pandemic Contingency

Huron will continue to follow the guidance of public health and government officials. It is anticipated that there will be no further disruptions to in-person instruction. This is subject to change.

Student Code of Conduct

Membership in the community of Huron University College and Western University implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. While in the physical or online classroom, students are expected to behave in a manner that supports the learning environment of others. Please review the Student Code of Conduct at:

<https://huronatwestern.ca/sites/default/files/Res%20Life/Student%20Code%20of%20Conduct%20-%20Revised%20September%202019.pdf>.

Prerequisite and Antirequisite Information

Students are responsible for ensuring that they have successfully completed all course prerequisites and that they have not completed any course antirequisites. Unless you have either the requisites for this course or written special permission from your Dean to enroll in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

Attendance Regulations for Examinations

A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

- 1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.
- 2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Dean of the Faculty offering the course will communicate that decision to the Dean of the Faculty of registration.

Review the policy on Attendance Regulations for Examinations here: [Academic Calendar - Western University \(uwo.ca\)](#)

Statement on Academic Offences

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following website: [Academic Calendar - Western University \(uwo.ca\)](http://www.uwo.ca/academic_calendar) . The appeals process is also outlined in this policy as well as more generally at the following website: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/appealsundergrad.pdf.

Turnitin.com

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com (<http://www.turnitin.com>).

Statement on Use of Electronic Devices

It is not appropriate to use electronic devices (such as, but not limited to, laptops, tablets, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

Statement on Use of Personal Response Systems (“Clickers”)

Personal Response Systems (“clickers”) may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:

- the use of somebody else’s clicker in class constitutes a scholastic offence
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.

Academic Consideration for Missed Work

All students pursuing academic consideration, regardless of type, must contact their instructors no less than 24 hours following the end of the period of absence to clarify how they will be expected to fulfill the academic responsibilities missed during their absence. **Students are reminded that they should consider carefully the implications of postponing tests or midterm exams or delaying submission of work, and are encouraged to make appropriate decisions based on their specific circumstances.**

Students who have conditions for which academic accommodation is appropriate, such as disabilities or ongoing or chronic health conditions, should work with Accessible Education Services to determine appropriate forms of accommodation. Further details concerning policies and procedures may be found at: <http://academicsupport.uwo.ca/>.

Policy on Academic Consideration for a Medical/ Non-Medical Absence

- (a) Consideration on **Medical Grounds** for assignments worth *less than 10%* of final grade: **Consult Instructor Directly and Contact Academic Advising**

When seeking consideration on **medical grounds** for assignments worth *less than 10%* of the final course grade, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor **may** require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. If documentation is requested, the student will need to complete and submit the [Student Medical Certificate](#). The instructor may not collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation.

b) Medical Grounds for assignments worth 10% or more of final grade: Go Directly to Academic Advising

University Senate policy, which can be found at [Academic Calendar - Western University \(uwo.ca\)](#) requires that all student requests for accommodation on medical grounds for assignments worth 10% or more of the final grade be made directly to the academic advising office of the home faculty (for Huron students, the “home faculty” is Huron), with supporting documentation in the form (minimally) of the Senate-approved Student Medical Certificate found at: https://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform.pdf.

The documentation is submitted in confidence and will not be shown to instructors. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before denying a request for accommodation on medical grounds, the instructor will consult with the Dean. The instructor’s decision is appealable to the Dean.

c) Consideration on Non-Medical Grounds: Consult Huron Support Services/Academic Advising, or email huronsss@uwo.ca

Students seeking academic consideration for a **non-medical** absence (e.g. varsity sports, religious, compassionate, or bereavement) will be required to provide appropriate documentation. All consideration requests must include a completed [Consideration Request Form](#). Late penalties may apply at the discretion of the instructor.

Please review the full policy on Academic Consideration for medical and non-medical absence at: [accommodation_medical.pdf \(uwo.ca\)](#). Consult [Huron Academic Advising](#) at huronsss@uwo.ca for any further questions or information.

Support Services

For advice on course selections, degree requirements, and for assistance with requests for medical accommodation, students should email an Academic Advisor in Huron’s Student Support Services at

huronsss@uwo.ca. An outline of the range of services offered is found on the Huron website at: <https://huronatwestern.ca/student-life/student-services/>.

Department Chairs, Program Directors and Coordinators are also able to answer questions about individual programs. Contact information can be found on the Huron website at: <https://huronatwestern.ca/contact/faculty-staff-directory/>.

If you think that you are too far behind to catch up or that your workload is not manageable, you should consult your Academic Advisor. If you are considering reducing your workload by dropping one or more courses, this must be done by the appropriate deadlines. Please refer to the Advising website, <https://huronatwestern.ca/student-life/student-services/academic-advising/> or review the list of official Sessional Dates on the Academic Calendar, available here: <http://www.westerncalendar.uwo.ca/SessionalDates.cfm>.

You should consult with the course instructor and the Academic Advisor who can help you consider alternatives to dropping one or more courses. Note that dropping a course may affect OSAP and/or Scholarship/Bursary eligibility.

Wellness and Health Supports at Huron and Western

University students may encounter setbacks from time to time that can impact academic performance. Huron offers a variety of services that are here to support your success and wellbeing. All Huron staff and faculty have received training on responding to disclosures of Gender-Based Sexual Violence (GBSV); students should know that the Community Safety Office is a resource for survivors, providing support and, if desired, guidance while referring them to the further supports that they may require. Please visit <https://huronatwestern.ca/student-life-campus/student-services/wellness-safety> for more information or contact staff directly:

Wellness Services:

huronwellness@huron.uwo.ca Community

Safety Office: safety@huron.uwo.ca

Additional supports for Health and Wellness may be found and accessed at Western through, <https://www.uwo.ca/health/>.
