MAKE YOURSELF AT HOME IN APPS INTERNATIONAL HOUSE

Read, relax, meet and play in our gorgeous, newly renovated Apps International House. Here, you'll have access to a full kitchen, lounge area and games room. Don't miss the many events and celebrations hosted in this house, which was designed specifically to foster our international community.

Apps International House is also where you'll visit Valeeta (who many of our international students refer to as their "second mom"). Whether in her office or via her personal cellphone, Valeeta will be there 24/7 to answer any questions you have about how to make your Huron experience 100 per cent your own.

WELCOME WEEK

Think of this as the ultimate introduction to Canada's BIGGEST Orientation Week

When you arrive in Canada, you will be greeted by your International Student Engagement team. With welcoming signs and smiles, we will pick you up at the airport and bring you back to your new home in the heart of Huron.

To help you get settled, we will take you shopping for your dorm room, assist you with setting up your bank account, getting a SIM card and the necessary

documents to help you begin working in Canada. You will never have to worry about all the logistics of moving to a new country on your own - we will do it together.

After all the official stuff is done, prepare for two weeks of excitement and enjoyment! Meet friends from around-the-world, visit Ontario's best destinations and take part in activities that help you break out of your shell, while always prioritizing your personal safety and well-being.

"The transition to Huron was super smooth. From the minute I stepped into Pearson airport in Toronto, I was actually mesmerized by looking at a bunch of a people in these red Huron T-shirts. If you can picture it, all these universities are opening up, but Huron is the only university at the airport with these huge welcome banners, so it was a very unique experience: I felt special and important.

Welcome Week started the next day and the entire week was filled with the most exciting activities like shopping, a beach day, a scavenger hunt downtown, picnics, Huron's Formal Ball and so much more. The upper year students and staff just tied the knot to the whole experience and made it feel like my home away from home."
