Disclaimer: Information in the brief course outline is subject to change. The syllabus posted on OWL is the official and authoritative source of information for the course.

Course Description:

A senior level seminar to pursue students' own research interests in the topics involving Japanese culture, Japanese language, or foreign language pedagogy. Topics of comparative natures and an interdisciplinary approach are encouraged. Prior approval by the program required.

Learning Outcomes:

To prepare for a research paper regarding a Japan/Japanese culture-relate topic

To develop a critical (and comparative) view toward a "foreign" culture.

To develop research methods using English and/or Japanese

To exercise modern research methods

To formulate questions and discover the answers

Textbooks and Course Materials:

No textbook is required
