

**Huron University College**  
**Department of Psychology**  
**Psychology 1000– Introduction to Psychology**  
**Fall & Winter 2017-2018**

**1.0 BASIC COURSE INFORMATION**

**1.1 Course number:**

Psychology 1000

**1.2 Course name:**

Introduction to Psychology

**1.3 Scheduled class times and location:**

Wednesdays 6-9pm in Room V210

**1.4 Pre/Anti-requisite information:**

Antirequisite(s): Psychology 1100E, the former Psychology 1200.

Extra Information: 3 lecture hours, 1.0 course.

**1.5 Instructor name:**

Dr. Derek Quinlan

**1.6 Instructor contact information:**

Office: OR150 Email: dquinla4@uwo.ca

**1.7 Office Hours:**

Wednesdays 5:30-6pm and the half-hour following lecture

Instructors are not always available for consultation at other times as they have many other responsibilities including fourth-year thesis supervision, research obligations, and administrative duties. Students should confine any consultations to the posted hours and be understanding if an instructor cannot see them at other times.

## 2.0. CALENDAR DESCRIPTION

An introductory survey of the methods and findings of modern scientific psychology. The following topics will be covered: history and methodology, biological psychology, sensation and perception, learning and motivation, verbal and cognitive processes, developmental psychology, social psychology, individual differences (intelligence and personality), and clinical psychology.

A grade of at least 60% in Psychology 1000 is a prerequisite for most senior Psychology courses offered at Western (Main campus, King's, and Brescia). **Note that entry to the Huron Psychology program requires Psychology 1100E, and Psychology 1000 is not a substitute for Psychology 1100E and without supplementation will not provide entry to the Psychology program at Huron, nor the majority of senior courses in Psychology offered at Huron. For details of the necessary supplementation, students should consult the Psychology page on the Huron website: <http://huronuc.ca/Academics/FacultyofArtsandSocialScience/Psychology>**

## 3.0 COURSE OBJECTIVES

This course is an introductory level survey of the methods and findings of modern scientific psychology. The goal is to provide students with an overview of various topic domains within the realm of psychology. As such, students will be exposed to diverse theoretical viewpoints and various methods and procedures for the scientific investigation of psychological issues. Note: Modern psychology is scientific in nature. Consequently, we will spend a lot of time discussing science-related topics such as research design, neural functioning, sensory mechanisms, etc. Each chapter in the text covers a major interest area in psychology. Following each chapter, students will be able to identify the major concepts and terminology for that topic area. In addition, when presented with a hypothetical problem or case, students will be able to assess and evaluate the problem and choose the best solution.

## 4.0 DESCRIPTION OF CLASS METHODS

Lectures will be held once a week and are designed to aid student's understanding of the basic foundations of the field of Psychology as presented in the textbook.

## 5.0 REQUIRED TEXTS

Passer, M. W., Smith, R. E., Atkinson, M. L., & Mitchell, J. B. (2017). Psychology: Frontiers and Applications. (Sixth Canadian Edition). McGraw-Hill.

## 6.0 EVALUATION

### 6.1. Summary of Dates and Weights

EXAMINATION	DUE DATE	WEIGHT
Fall Midterm	Nov. 1	20%
December Exam	Jan. 17	25%
Spring Midterm	Feb. 28	25%
Final Exam	April Exam Period	26% (as scheduled by Registrar)
Research Participation		4% (specific details on OWL)

Students at Huron University College should consider a C grade (60%-69%) to be evidence of satisfactory performance in Introductory Psychology. Grades in the B (70-79%) range will only be awarded for performance that is demonstrably superior to this standard. Grades in the A (80%-90%) or A+ (90-100%) range will be rare and reserved for academic performance that is truly exceptional. Students should anticipate that the level of performance that resulted in A or A+ grades in high school will not achieve similar grades at the university level.

### 6.2. Tests/Exams

There are four term tests (exams) and together, they determine 96% of the final grade in the course. Three of the Midterm exams (Nov. 1, Jan. 17 and Feb. 28) will be written during class time in a location to be announced, and the end-of-year exam (April) will be written during the examination periods as scheduled by the Registrar's Office. Exams are non-cumulative and each test covers approximately one quarter of the course material. Exams will be composed of multiple-choice questions based on the textbook readings and lecture materials/discussions. No electronic devices of any sort are permitted to be in a student's possession during tests. Following the failure of a student to write an exam, and acting on advice from the Academic Counselling Office to provide relief (based on medical and/or non-medical grounds), we will allocate the weight devoted to that exam equally to the remaining exams. Otherwise the grade recorded will be zero. In the event of failure of a student to write the final (April) exam, and again acting on advice from the Academic Counselling Office to provide relief (based on medical and/or non-medical grounds), we will permit that student to write a make-up for the final (April) exam only. Otherwise, the grade will be recorded as zero. The make-up exam will also be composed of multiple-choice questions and will be written on the day and time set aside for such make-up examinations. Documentation for missed term tests must be submitted to the Academic Counselling Office in a timely manner. The grades for the October, January and February exams will be posted on owl.uwo.ca. Students may review their exams in the presence of their instructor during office hours, but the Department will retain all exams.

7.0 SCHEDULE OF CLASSES, INCLUDING REQUIRED READINGS/TOPICS

<u>Month</u>	<u>Date</u>	<u>Readings</u>	<u>Note</u>
Sept	13	Intro & Ch 1	
	20	Ch 2	
	27	Ch 3	
Oct	4	Ch 3 & 4	
	9th-13th	Fall Break	No Classes
	18	Ch 4	
	25	Ch 5	
Nov	1	Midterm Exam	Ch 1-4
	8	Ch 5 & 6	
	15	Ch 6	
	22	Ch 7	
	29	Ch 7 & 8	
Dec	6	Ch 8	
	***	No exam until January 17	
Jan	10	Ch 9 & 10	
	17	Midterm Exam	Ch 5-8
	24	Ch 11	
	31	Ch 11 & 12	
Feb	7	Ch 12	
	14	Ch 13	
	19th-23rd	Reading Week	No Classes
	28	Midterm Exam	Ch 9-13
Mar	7	Ch 14	
	14	Ch 15	
	21	Ch 15 & 16	
	28	Ch 16	
Apr	4	Ch 17	
	11	Ch 17	
	14th-30th	Exam Period	Ch 14-17

## **Appendix to Course Outlines**

### **Prerequisite Information**

Students are responsible for ensuring that they have successfully completed all course prerequisites. Unless you have either the requisites for this course or written special permission from your Provost and Dean to enrol in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

### **Conduct of Students in Classes, Lectures, and Seminars**

Membership in the community of Huron University College and the University of Western Ontario implies acceptance by every student of the principle of respect for the rights, responsibilities, dignity and well-being of others and a readiness to support an environment conducive to the intellectual and personal growth of all who study, work and live within it. Upon registration, students assume the responsibilities that such registration entails. The academic and social privileges granted to each student are conditional upon the fulfillment of these responsibilities.

In the classroom, students are expected to behave in a manner that supports the learning environment of others. Students can avoid any unnecessary disruption of the class by arriving in sufficient time to be seated and ready for the start of the class, by remaining silent while the professor is speaking or another student has the floor, and by taking care of personal needs prior to the start of class. If a student is late, or knows that he/she will have to leave class early, be courteous: sit in an aisle seat and enter and leave quietly.

Please see the *Code of Student Rights and Responsibilities* at:

<http://www.huronuc.ca/CurrentStudents/StudentLifeandSupportServices/StudentDiscipline>

### **Technology**

It is not appropriate to use technology (such as, but not limited to, laptops, cell phones) in the classroom for non-classroom activities. Such activity is disruptive and is distracting to other students and to the instructor, and can inhibit learning. Students are expected to respect the classroom environment and to refrain from inappropriate use of technology and other electronic devices in class.

### **Academic Accommodation for Medical/Non-Medical Grounds**

Students who require special accommodation for tests and/or other course components must make the appropriate arrangements with the Student Development Centre (SDC). Further details concerning policies and procedures may be found at:

[http://www.sdc.uwo.ca/ssd/?requesting\\_acc](http://www.sdc.uwo.ca/ssd/?requesting_acc)

**(a) Medical Grounds for assignments worth 10% or more of final grade: Go Directly to Academic Advising**

University Senate policy, which can be found at

[http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/accommodation\\_medical.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/accommodation_medical.pdf),

requires that all student requests for accommodation on medical grounds for assignments worth 10% or more of the final grade be made directly to the academic advising office of the home faculty (for Huron students, the “home faculty” is Huron), with supporting documentation in the form (minimally) of the Senate-approved Student Medical Certificate found at:

[http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/medicalform\\_15JUN.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/medicalform_15JUN.pdf).

The documentation is submitted in confidence and will not be shown to instructors. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before denying a request for accommodation on medical grounds, the instructor will consult with the Provost and Dean. The instructor’s decision is appealable to the Provost and Dean.

**(b) Accommodation on Medical Grounds for assignments worth less than 10% of final grade: Consult Instructor Directly**

When seeking accommodation on medical grounds for assignments worth less than 10% of the final course grade, the student should contact the instructor directly. The student need only share broad outlines of the medical situation. The instructor **may** require the student to submit documentation to the academic advisors, in which case she or he will advise the student and inform the academic advisors to expect documentation. The instructor may **not** collect medical documentation. The advisors will contact the instructor when the medical documentation is received, and will outline the severity and duration of the medical challenge as expressed on the Student Medical Certificate and in any other supporting documentation. The student will be informed that the instructor has been notified of the presence of medical documentation, and will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. The instructor will not normally deny accommodation where appropriate medical documentation is in place and where the duration it describes aligns with the due date(s) of assignment(s). Before denying a request for accommodation on medical grounds, the instructor will consult with the Provost and Dean. The instructor’s decision is appealable to the Provost and Dean.

**(c) Non-medical Grounds: Consult Instructor Directly**

Where the grounds for seeking accommodation are not medical, the student should contact the instructor directly. Late penalties may apply at the discretion of the instructor. Apart from the exception noted below, academic advisors will not be involved in the process of accommodation for non-medical reasons.

Where a student seeks accommodation on non-medical grounds where confidentiality is a concern, the student should approach an academic advisor with any documentation available. The advisors will contact the instructor after the student's request is received, and will outline the severity and duration of the challenge without breaching confidence. The student will be informed that the instructor has been notified that significant circumstances are affecting or have affected the student's ability to complete work, and the student will be instructed to work as quickly as possible with the instructor on an agreement for accommodation. Before denying a request for accommodation where documentation has been submitted to an academic advisor, the instructor will consult with the Provost and Dean. The instructor's decision is appealable to the Provost and Dean.

### **Statement on Academic Offences**

Scholastic offences are taken seriously and students are directed to read the appropriate policy, specifically, the definition of what constitutes a Scholastic Offence, at the following Web site:

[http://www.uwo.ca/univsec/pdf/academic\\_policies/appeals/scholastic\\_discipline\\_undergrad.pdf](http://www.uwo.ca/univsec/pdf/academic_policies/appeals/scholastic_discipline_undergrad.pdf)

### **Statement on Academic Integrity**

The International Centre for Academic Integrity defines academic integrity as "a commitment, even in the face of adversity, to five fundamental values: honesty, trust, fairness, respect, and responsibility. From these values flow principles of behaviour that enable academic communities to translate ideals to action." (CAI Fundamental Values Project, 1999).

A lack of academic integrity is indicated by such behaviours as the following:

- Cheating on tests;
- Fraudulent submissions online;
- Plagiarism in papers submitted (including failure to cite and piecing together unattributed sources);
- Unauthorized resubmission of course work to a different course;
- Helping someone else cheat;
- Unauthorized collaboration;
- Fabrication of results or sources;
- Purchasing work and representing it as one's own.

### **Academic Integrity: Importance and Impact**

Being at university means engaging with a variety of communities in the pursuit and sharing of knowledge and understanding in ways that are clear, respectful, efficient, and productive. University communities have established norms of academic integrity to ensure responsible, honest, and ethical behavior in the academic work of the university, which is best done when sources of ideas are properly and fully acknowledged and when responsibility for ideas is fully and accurately represented.

In the academic sphere, unacknowledged use of another's work or ideas is not only an offence against the community of scholars and an obstacle to academic productivity. It may also be understood as fraud and may constitute an infringement of legal copyright.

A university is a place for fulfilling one's potential and challenging oneself, and this means rising to challenges rather than finding ways around them. The achievements in an individual's university studies

can only be fairly evaluated quantitatively through true and honest representation of the actual learning done by the student. Equity in assessment for all students is ensured through fair representation of the efforts by each.

Acting with integrity at university constitutes a good set of practices for maintaining integrity in later life. Offences against academic integrity are therefore taken very seriously as part of the university's work in preparing students to serve, lead, and innovate in the world at large.

A university degree is a significant investment of an individual's, and the public's, time, energies, and resources in the future, and habits of academic integrity protect that investment by preserving the university's reputation and ensuring public confidence in higher education.

**Students found guilty of plagiarism will suffer consequences ranging from a grade reduction to failure in the course to expulsion from the university. In addition, a formal letter documenting the offence will be filed in the Provost and Dean's Office, and this record of the offence will be retained in the Provost and Dean's Office for the duration of the student's academic career at Huron University College.**

All required papers may be subject to submission for textual similarity review to the commercial plagiarism detection software under license to the University for the detection of plagiarism. All papers submitted for such checking will be included as source documents in the reference database for the purpose of detecting plagiarism of papers subsequently submitted to the system. Use of the service is subject to the licensing agreement, currently between The University of Western Ontario and Turnitin.com.

Computer-marked multiple-choice tests and/or exams may be subject to submission for similarity review by software that will check for unusual coincidences in answer patterns that may indicate cheating.

Personal Response Systems ("clickers") may be used in some classes. If clickers are to be used in a class, it is the responsibility of the student to ensure that the device is activated and functional. Students must see their instructor if they have any concerns about whether the clicker is malfunctioning. Students must use only their own clicker. If clicker records are used to compute a portion of the course grade:

- the use of somebody else's clicker in class constitutes a scholastic offence,
- the possession of a clicker belonging to another student will be interpreted as an attempt to commit a scholastic offence.

### **Policy on Special Needs**

Students who require special accommodation for tests and/or other course components must make the appropriate arrangements with the Student Development Centre (SDC). Further details concerning policies and procedures may be found at:

[http://www.sdc.uwo.ca/ssd/?requesting\\_acc](http://www.sdc.uwo.ca/ssd/?requesting_acc)

### **Attendance Regulations for Examinations**

A student is entitled to be examined in courses in which registration is maintained, subject to the following limitations:

- 1) A student may be debarred from writing the final examination for failure to maintain satisfactory academic standing throughout the year.
- 2) Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course will be reported to the Provost and Dean of the Faculty offering the course (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Provost and Dean of that Faculty, the student will be debarred from taking the regular examination in the course. The Provost and Dean of the Faculty offering the course will communicate that decision to the Provost and Dean of the Faculty of registration.

### **Class Cancellations**

In the event of a cancellation of class, every effort will be made to post that information on the Huron website, <http://www.huronuc.ca/AccessibilityInfo> ("Class Cancellations").

### **Mental Health @ Western**

Students who are in emotional/mental distress should refer to Mental Health @ Western <http://www.uwo.ca/uwocom/mentalhealth/> for a complete list of options about how to obtain help.

### **Academic Advising**

For advice on course selections, degree requirements, and for assistance with requests for medical accommodation [see above], students should contact an Academic Advisor in Huron's Student Support Services ([huronsss@uwo.ca](mailto:huronsss@uwo.ca)). An outline of the range of services offered is found on the Huron website at: <http://www.huronuc.ca/CurrentStudents/AcademicAdvisorsandServices>

Department Chairs and Program Directors and Coordinators are also able to answer questions about their individual programs. Their contact information can be found on the Huron website at: <http://www.huronuc.ca/Academics/FacultyofArtsandSocialScience>
