DEVELOP ALL YOUR TALENTS

DO YOU WANT TO LEAVE A GOOD IMPRESSION ON PEOPLE? DO YOU WANT TO BE ABLE TO PERSUADE THEM TO UNDERSTAND YOUR PERSPECTIVES AND MOTIVATE ACTION?

**BE CRITICAL.
BE CREATIVE.
BE PERSUASIVE.**

You need to learn how to articulate your thoughts – regardless of whether you're speaking or writing.

The study of English & Cultural Studies delves into the importance of storytelling to human life. It will enhance your ability to empathize with others' narratives as well as sculpt your own in ways that influence people and promote positive change.

THE **HURON** ADVANTAGE

HURON'S ENGLISH & CULTURAL STUDIES COURSES ARE AS DIVERSE AS THEY ARE INTRIGUING AND CHALLENGING. CHOOSE THE TOPICS THAT MOST INTEREST YOU AND PREPARE TO BECOME IMMERSSED IN A WORLD OF INWARD AND OUTWARD REFLECTION THAT WILL STRENGTHEN YOUR UNDERSTANDING OF HISTORY, CULTURE AND, MOST IMPORTANTLY, WHAT MAKES US HUMAN.

We encourage student-driven projects that incorporate original scholarship ranging from the literary to the performative and from the popular to the historical.

With the robust grounding Huron provides in the mastery of writing, speaking, listening and comprehension, you will be able to see the big picture, be moved by the wisdom of others, influence people and inspire greatness.

“Before I went into English & Cultural Studies, I thought it would just be about reading books and writing essays. However, the courses offer much more than that. From learning how to tell a convincing story through to developing foundational knowledge about current issues, we are exposed to so many different avenues of learning and have the opportunity to interact with the world creatively and critically. Huron's small class sizes reinforce the value of the program by creating space for meaningful conversations about all aspects of life, so you become extremely well prepared to thrive within a variety of vocations.”

BEYOND THE CLASSROOM

In English & Cultural Studies, we are committed to experiential learning, which can involve everything from participating in the production of a theatrical performance to creating scholarly websites, doing stand-up comedy, producing creative work or travelling locally or abroad for research purposes. Recent examples include:

- Creative writing workshops with published authors
- Original research on Indigenous cultural texts and the creation of graphic novels, YouTube clips, poems and short stories
- Hands-on printing experience at Huron's Letterpress Studio
- The creation of a digital edition of a scene from Shakespeare's *Hamlet* and *Macbeth*, as well as a live production of that same scene
- Trips to see plays in Stratford and publishers in Toronto
