Registration for Courses in the Faculty of Theology, 2022-23

Where Is The Timetable?

Look online at www.huronatwestern.ca on the page for your particular degree (MDiv, MTS).

Course outlines for each course will be available closer to the end of August. However, if you want to get an idea of what the course is like, take a look at the linked course outlines in the 2021-22 timetables or from previous years still online. Or look for the shorter calendar description which is linked to each course in the MDiv or MTS Maps.

MDiv and MTS students normally take courses beginning with "5." Courses beginning with 1 through 4 are considered bachelor's courses. Courses beginning with "9" are graduate MA courses. It may be possible to get special permission to take these non-5000-level courses.

What Courses Should I Take This Year?

Part Time vs Full Time—How Many Courses Should I Take!?

1 to 6 half-courses taken during the 2022-23 school year makes you a part-time student. 7 or more half-courses makes you full-time, with 10 half courses over the year being the normal full-time load (OSAP has different rules.) Courses in the Faculty of Theology are, all but one, half-courses; i.e., lasting one term. If you need to be full-time, you should have chosen at least 7 half-courses in September for the school year, or else the computer will drop you back to a part-time student. (You can switch/change second term courses later in the fall, if you need to.) You'll also need a full course load in order to take advantage of the City Bus Pass. To add a little more complication, provincial government departments, like OSAP and disability, may have different definitions of "full time."

Summer courses are occasionally, but not normally, scheduled.

Tuition note: Tuition [details are here](#). Financial aid results are not yet available.

Incomplete Courses from Previous Year

If you still have an incomplete course on your record from the previous year, and it is not completed by the beginning of the September 2022 term, Western will reduce the number of courses you may sign up for, by the number of incompletes you are holding.

First-Year Courses: New Students and those still completing first year

The requirements for your particular new MTS Concentration or MDiv degree, can currently be found on your degree page under: Program > Degree Requirements (maps are being created for you). Students who began before September 2022 will find their entire degree requirement in their map.

Listed below are sample/suggested courses for first year students. Taking these courses first should give you the prerequisites you need to continue through your program. Email the theology office if you have questions. A normal full-time registration is 5 half-courses per term. If you're part time, you'll want to pick these courses as you're able. If you'd like a recommendation about a substitution due to timing or the availability of another course instead, just ask.

Returning Students

Pick your courses by looking at the timetable, while considering your degree's requirements. Find the course description in the MDiv or MDiv map, and note: prerequisites (must be previously completed) or antirequisite ("may not also take") courses. If a course outline/syllabus is already available for this year or last year, it will appear on the Faculty of Theology timetable.

Should you ever wish to request any course substitutions, please send details of your proposal (reason, detailed course outline) to the Faculty of Theology office well in advance of the last day to add a course.

Returning Students, Map of Your Degree, Course Requirements

A map of your degree is available. You can check off each course, as you complete it, and easily see what courses remain to complete. The map also contains official descriptions of all courses in the Theology Calendar. Therefore, it's a good place to find out what prerequisites may be required for your courses. It's recommended that you consult on how you've filled out your map with your academic advisor or in the Faculty of Theology office from time to time.

Important Notes for All Regarding Some 2022-23 Courses

Homiletics 5204a. You might have some difficulty signing up for this course online because of prerequisite issues. If you want to take this course, let Sandra Rice know by email (srice@uwo.ca), and we'll sign you up for it manually.

Pastoral Theology 5305a (Theological Reflection). Please note this course is not offered this year (2022-23, but will be offered the following year.

Liturgics 5204a (Liturgical Theology). This required course will be offered online only through another site. Please contact the Theology office (srice@uwo.ca) to indicate your intention to register, and for further details.

Liturgics 5301a (Liturgical Leadership). Please note this required course is offered this year online only (2022-23) but may NOT be offered the following year.

Arabic 1070a (Quranic Arabic for Beginners) and **Arabic 2080a** (Intermediate Quranic Arabic): Although these courses use a bachelor's number, MDiv & MTS students may take it for credit. If you have any difficulties registering, just email srice@uwo.ca.

Other Bachelor's courses which appear on the [online timetable](#):

You permission to take a Bachelor's course as a master's student from the instructor & Dean, but if okayed, they would be available to MDiv/MTS students.

Please note!!

Other Problems Registering: Sometimes the computer insists that you complete the first-term prerequisite before you can sign up for the second-term follow up course. But we want you to sign up for **all** your courses by September if possible. If you can't get into a course because of this problem, email srice@uwo.ca, and we'll put you in manually if we can. If the computer insists that the course you want is full, email srice@uwo.ca, and we'll see if this is actually true! If there appears to be two courses you want to take at one time, let us know, and we'll see if anything can be done if enough people are in the same boat.

You Can't Take a Particular Course—Subject & Number—Twice!

Some of our courses have the title, "Special Topics." Each time this course subject & number is offered, it may have a different title/topic. However, Western's computer thinks the course is the same each time you take it and assumes you are re-taking the course to improve your mark. And you will only get credit for taking the course once. If you want to take a course, and it's the same number and subject as a previous course you've taken, let Theology Office know; we try to give you a different number to use.

Letter of Permission/Taking Courses Outside of Huron/Western

Should you be interested in taking a course at another university, please send the details (course outline, school to be offered at, etc.) to the Theology office for approval. We will tell you whether to go ahead, and, depending on the time of year in which you wish to take the course elsewhere, let you know how to go about signing up for the course. Details about obtaining a Letter of Permission for schools outside of Western, [are here](#). For St. Peter's Seminary courses at Western, please send the Faculty of Theology office the course outline or a link.

Independent Studies

You may complete an elective course by organising an Independent Studies course with a faculty member, where you will study further in a subject area on a topic not normally offered at Huron. Enquire in the Theology office for policy and form. Start well ahead of the deadline to add a course. Faculty are limited in the number of Independent Study courses they may choose to offer.

Course Audits

If you wish to register to sit in on a course without doing assignments/exams/classwork, then you will need to get written permission from the faculty member involved, BEFORE you attend any classes. Not all courses allow audits. Bring/send the faculty member's written permission to the Faculty of Theology office for Dean's permission and in order to sign up on paper, by the deadline to add a course. With

regular attendance, you receive a “grade” of AUD on your transcript.

Can I Change My Registration? & Deadlines to Add and Drop

You’ll need to pick courses for both terms, so that you have sufficient courses to be a full-time student, for instance, and so that faculty will know if there are sufficient registrations to hold the class, and to order sufficient texts, etc. You can change your courses by dropping and adding right up to the deadlines below, assuming room in the courses.

Deadlines to add/drop for Fall 2021:

Last day to add a first-term course:	September 16
Last day to drop a first-term half-course:	November 12 (without academic penalty)

Deadlines to add/drop for January 2022:

Last day to add a 2 nd term course:	January 17
Last day to drop a full-course:	November 30 (without academic penalty)
Last day to drop a 2 nd term half-course:	March 7 (without academic penalty)

(Please note that these dates are for adding and dropping without academic penalty. There may be financial penalties. Please see tuition office for the pro-rated schedule of refunds.)

Other important sessional [dates are here](#).

My Registration Appointment: Western will let you know your appointment. This is the first day you can begin registering through to August—not the only day you can register.

Taking Courses In Person or On-Line Synchronously

Local students will attend courses at Huron, in person (unless the course will be offered online only). If you applied and requested the ability to take your courses online synchronously, you will be joining your classmates for the course on Zoom at the scheduled time. You need permission from the Dean of Theology in order to take courses online. Students taking courses online do not register online but send their list of courses to theology office (srice@uwo.ca).

Tuition & Fees

[Tuition info](#) is available online on the Home page at “Money Matters.” After you have registered for your courses, check to see the deadline for your tuition payment. If you have received notification of Financial Aid from Huron, this amount will be credited toward your Huron account. Bursaries from the Diocese of Huron will be sent directly to you. Please contact studentbilling@huron.uwo.ca or 519.438.7224, ext. 861, with any questions regarding tuition, due dates, or amount owing, etc. [Your Online Statement of Account](#) will show you your personal tuition statement at Huron.

4. Look in the timetable – is the course *restricted* or is *priority* given to a designated group of students (e.g. priority to MIT students).

EMAIL SRICE@UWO.CA if you are having any difficulties!

Don’t take the computer’s “word” that the class is full, etc. Please check!

Errors you might encounter:

The computer may claim you don’t have a prerequisite course (sometimes that is because you are taking the required prerequisite in term one.) Also, Homiletics 5204a asks for a prerequisite which doesn’t exist, but should be Biblical Studies 5110a.

If you get an error or even a “full” notification, contact the theology office to get into the classes. If the class appears to be full or doesn’t exist yet, DEFINITELY contact the theology office, and we will try to get you in manually!

Other useful information

Services for Students with Disabilities/Accessible Education

Students who wish to request a variety of academic accommodation must do so as soon as possible after they have registered in courses. The need for academic accommodation is not assumed by the University, as students' needs vary with changes in their conditions, the development of coping strategies, and various course requirements. Accordingly, students must indicate all new courses for which accommodation will be required by formally requesting accommodation. Requests should be made during July and August for the September to April terms and in April or May for the summer terms. Later requests will be considered; however, accommodation may not be arranged in time for the first set of tests and examinations.

Requests for academic accommodation are made through [Accessible Education](#) at Western.

Accommodations for Religious Holidays

When scheduling unavoidably conflicts with religious holidays which a) require an absence from the University or b) prohibit or require certain activities making it impossible for the student to satisfy the academic requirements scheduled on the day involved, no student will be penalised for absence because of religious reasons, and alternative means will be sought for satisfying the academic requirements involved. If a suitable arrangement cannot be worked out between the student and instructor, s/he should consult the student's Dean. It is the responsibility of such students to inform themselves concerning the work done in classes from which they are absent and to take appropriate action according to deadlines [given in the policy here](#).

This policy explains that the student should give notice to his or her course instructor and Dean as early as possible, but not later than two weeks prior to the writing of the examination, or one week prior to writing a mid-term.
