

Scholars' Electives is a limited enrolment program, open to full-time students with a minimum final average of 90%. The program is designed for students who wish to add an interdisciplinary module to their primary discipline-based Honors degree program. Admission is determined on the basis of grades and answers to the supplemental questions on this form. This program is intended for students who wish to explore the possibilities of research learning; there is no expectation that students will have a research project in mind before entering the program.

Applications are due **February 15 (or the next business day)**. Completed applications should be sent via email attachment to [mhaile2@huron.uwo.ca](mailto:mhaile2@huron.uwo.ca).
